## From Singapore Airlines Suites to Private Class

Experience the highest standard of travel to Europe with Singapore Airlines in cooperation with our Star Alliance Partner, Lufthansa German Airlines.

Available exclusively onboard the Singapore Airlines A380 serving London, Zurich and Paris, the Singapore Airlines Suites offer an exquisitely private space. Then travel beyond these gateways to even the remotest parts of Europe and the Russian Federation according to your own timetable with Lufthansa Private Jet.

**Discover the exclusive advantage of seamless connection<sup>1</sup> from an intercontinental flight to a private jet service that no other jet operator is able to offer in Europe**

- Be welcomed directly at the aircraft door by your Personal Assistant who will escort you by limousine service to a First Class Lounge then to your Lufthansa Private Jet.
- VIP treatment and hassle-free obligatory security, passport and customs controls will be supported by your Personal Assistant.
- And when you arrive at your destination airport, another limousine service will bring you to your hotel or your chosen final destination.
- A dedicated Private Jet Event Manager will ensure smooth coordination of your long haul flight and your private jet, including limousine and baggage transfers, individual catering and in-flight entertainment tailored to your wishes.

### Our exclusive introductory offer for you:
