## A world of convenience at krisflyer.com

**My Profile** – Update your personal particulars, such as your email address, mailing address and interests.

**Account Statements** – Find out your current balance of KrisFlyer miles, along with the month in which these miles expire, and the number of Elite miles you have. You can also subscribe to have your account statement sent to you via email up to six times a year.

**Miles Expiry & Extension** – If you have KrisFlyer miles expiring for the first time, you will save 40% on the usual number of miles required when you extend the validity of these miles.

**Redemption Nominees** – If you are a KrisFlyer or KrisFlyer Elite Silver member, you will save 40% on the usual number of miles required when you change your redemption nominees online. If you are a KrisFlyer Elite Gold or PPS Club member, this service fee is waived.

**My Booking Alerts** – If you are waitlisted for an award flight, subscribe to receive a personal reminder via mobile phone text message or email to inform you once a seat is available.

**KrisFlyer News** – Subscribe to KrisFlyer News and be among the first to receive news updates, the latest promotions, as well as a host of exclusive partner offers. KrisFlyer News is delivered via email six times a year.

**Online Redemption Booking** – Save 15% on the number of miles required for an award ticket or flight upgrade.

**My Travel Planner** – View the list of destinations to which you can redeem your miles for award tickets or flight upgrades.

**Redemption Calculator** – Find out the number of miles required for an award ticket or flight upgrade to your favourite destination.

**Accrual Calculator** – Check the number of KrisFlyer miles you could earn in each class of travel on Singapore Airlines, SilkAir and our partner airlines.
