3.0 The Card and PIN

3.1 Types of Cards

These Conditions of Use govern the Singapore Airlines Westpac Platinum Cards.

3.2 Additional Card

(a) You (being the Primary Cardholder) can ask us to give one additional Card and PIN to any person you nominate as your agent to operate on the Card Account, provided that person is over the age of 16 years. An Additional Cardholder must also comply with these Conditions of Use.

(b) Where an additional Card has been issued at your request:

- you authorise us to give the Additional Cardholder information about the Card Account for the purpose of their use of the additional Card. In addition, you authorise us to act on the instructions of the Additional Cardholder in relation to the Card Account, except for a request for an increase to the credit limit on the Card Account, termination of the Card Account or the replacement of the additional Card following cancellation of that Card by you;
- you are responsible for the use of the additional Card and you must pay for all transactions made by the Additional Cardholder, including any charges;
- you can cancel the additional Card by cutting it into several pieces and either returning them to us, or informing us by telephone that you have destroyed the Card and disposed of the pieces securely. You must then write to us to confirm

cancellation of the Card. If you cannot destroy the Card, you should ask us to put a stop on the Card Account;

- you should be careful in cases where you cannot destroy the additional Card because, although a stop may have been placed on the Card Account, the additional Card may still be used in some circumstances (for example, for store purchases below floor limits where no electronic approvals are in place). You will not be responsible for the continuing use of the additional Card from the later of the date you advise us that you want the additional Card cancelled, and when you have taken all reasonable steps to have the additional Card returned to us. What constitutes taking all reasonable steps to have the additional Card returned to us will vary, depending on the particular circumstances. At a minimum, it will require you to contact the Additional Cardholder, if at all possible, and request them to surrender the additional Card to you, so that you can return it to us.
- (c) When an Additional Cardholder uses their Card to access accounts held by that Additional Cardholder, they are acting as a principal in their own right. You will not be responsible for any such use where you are not party to such an account.
- (d) As stated in paragraph (a) of this clause, an additional Card is issued at your request to a nominated Additional Cardholder, as your agent, to operate on the Card Account. On your death, the authority you have given the Additional Cardholder is automatically cancelled and the additional Card can no longer be used to access either the Card Account or any accounts held by the Additional Cardholder.
- (e) If an Additional Cardholder wishes to deposit a cheque made out to them into the Card

Account they must firstly transfer ownership of the cheque to the Primary Cardholder. This is done by the Additional Cardholder writing the words "Please pay (Primary Cardholder's name)" along with the Card Account number, then signing the back of the cheque.

3.3 Selection/Issue of PIN

You may be required to select a PIN upon collection of your Card or we will allocate a PIN to you when your Card is first issued. You can change your PIN at any time using special terminals located in Westpac branches in Australia. If the record of the PIN is lost or stolen, you can select a new PIN or we may issue you with a new PIN and, in some circumstances, we may issue you with both a new Card and PIN.

3.4 Card reissue

We may issue a new Card to you at any time. All such Cards are subject to these Conditions of Use. We reserve the right not to reissue a Card.

3.5 All Cards remain our property

You agree that your Card remains the property of the Bank and agree to return the Card to us on:

- our request; or
- cancellation of your Card; or
- closure of the Card Account; or
- termination of your authority to operate the Card Account.

4.0 Using the Cards

4.1 When can you use your Card?

- (a) Your Card is valid only if it has been signed by you and is used during the validity period shown on the face of the Card.
- (b) You must destroy any Card that is no longer valid by immediately cutting it into several pieces and disposing of them securely.

4.2 Where can you use your Cards?

- (a) Your Card is valid only if it has been signed by you. Your Card is only to be used during the validity period. If the card is outside of the validity period you must destroy the Card immediately by cutting it into several pieces and disposing of them securely.

You can use your Singapore Airlines Westpac Visa Card and Singapore Airlines Westpac American Express® Card in Australia and most overseas countries.

You must not use your Card if the Card has been suspended, cancelled or the Credit Card Contract has been terminated or you have otherwise been instructed by us not to use the Card.
- (b) You can use your Card at any Merchant directly or by mail order, telephone order, through the internet or at any financial institution or Electronic Banking Terminal displaying the applicable scheme sign for your Card.

You or an Additional Cardholder may authorise a Merchant to charge amounts to your Card Account over time.

You should keep a record of all regular payments arranged with merchants, including the Merchant name and contact details, and the amount(s) and date(s) upon which payments are to be processed.

To cancel or change any regular payment authority you should contact the Merchant in writing at least 15 days prior to the next scheduled payment. Until you notify the Merchant, Westpac is required to process transactions from the Merchant. If the Merchant does not comply with your request to cancel the regular payment arrangement, you may be able to dispute the charges if you can show written evidence of the notice to cancel the regular payment arrangement.

Should your Card number be changed, i.e. as a result of a lost or stolen card, you must request

the Merchant to change the details of your existing regular payment arrangement to ensure arrangements continue. If you do not undertake to notify the Merchant of a change in Card details your regular payment arrangement either may not be honoured by the Bank or the Merchant may stop providing the goods and/or services.

Should you elect to close your Card Account or your Card Account is closed by the Bank you should contact all Merchants with whom you have regular payment arrangements to revise your Card Account details. Failure to do so may result in the Merchant failing to provide the goods and/or services.

- (c) If you use your Card outside Australia, Australian exchange control requirements may apply. Details of requirements, if any, may be obtained from our branches.

4.3 Foreign currency transactions

- (a) Any statement entries for purchases or Cash Advances/withdrawals made in a foreign currency include the following three components:

- the foreign currency transaction amount, converted into Australian dollars by the applicable Credit Card scheme;
- the Westpac On-Charged Scheme Fee, which is any fee that may be charged by the applicable Credit Card scheme to Westpac on Foreign Transactions, which we pass on to you; and
- the Westpac Processing Fee, which is a foreign currency transaction fee charged to you by Westpac, being a percentage of the Australian dollar transaction amount of a Foreign Transaction.

Details of these fees are set out in the letter which advises your credit limit and other prescribed information we are required to give you by law.

- (b) Transactions processed in foreign currencies will be converted into Australian dollars before they are listed on Card Account statements. Levies or fees may be charged by the applicable Credit Card scheme during the conversion process. In most cases, the rate applied to the refund of purchase transactions will differ from the original rate applied to the purchase. The method of conversion is as follows:

■ Visa

Visa Worldwide (Visa) processes Cash Advances, purchases, any other charges incurred and refunds made in foreign currencies, and converts these transactions into Australian dollars. Transactions that are made in United States dollars, Canadian dollars, New Zealand dollars, Singapore dollars, pounds sterling, euros and Japanese yen are converted directly into Australian dollars. Transactions that are made in any other foreign currency are converted into United States dollars before being converted into Australian dollars. The exchange rate used for the conversion is a wholesale market exchange rate selected by Visa from within a range of wholesale market rates in effect the day before they process the transaction.

■ American Express

American Express processes Cash Advances, purchases, any other charges incurred and refunds made in foreign currencies, and converts these transactions into Australian dollars. Transactions that are made in foreign currencies other than United States dollars are converted into United States dollars before being converted into Australian dollars. The exchange rate used for the conversion is an interbank rate, selected by American Express from customary banking sources on the business day prior to the day on which the transaction is processed by

American Express, which rate may differ from the rate in effect on the transaction date.

Note: Exchange rates quoted by Westpac in Australia are not used to convert foreign currency transactions to the Australian dollar equivalent.

4.4 Purpose of use

- (a) Your Card must be used wholly or predominantly for personal, domestic or household expenditure.
- We reserve the right to determine, in any instance, whether use or proposed use of your Card has been or will be in accordance with this requirement.
- (b) You must not use your Cards for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Cards are used or where the goods or services are provided.
- (c) It is an offence under Australian law to conduct transactions on an account which may lead to an actual or attempted evasion of a taxation law, or constitute an offence under any other Commonwealth or Territory law. Where the Bank has reasonable grounds to suspect that such a transaction(s) has occurred on the Card Account, it is obliged to render a suspicious matter report to the Federal Government (AUSTRAC).

4.5 Transactions at Electronic Banking Terminals

- (a) You may use your Singapore Airlines Westpac Platinum Visa Card at any Electronic Banking Terminal as follows:
- (i) at automatic teller machines for cash withdrawals/advances and balance enquiries;
 - (ii) at Westpac automatic teller machines in Australia for transfers of funds between Nominated Accounts;

(iii) at selected Westpac automatic teller machines in Australia for:

- deposits to Nominated Accounts;
- an ATM ministatement listing up to the last 10 entries on a Cheque Account or Savings Account and the available balance of the account;
- a listing of balances of up to 10 accounts held by you (an all accounts balance summary);
- the purchase of selected vouchers, tickets or other goods and services provided by us or a third party, from a Cheque Account or Savings Account;

(iv) at EFTPOS terminals in Australia to pay for goods or services provided by a Merchant.

- (b) A Singapore Airlines Westpac Platinum American Express Card cannot be used at automatic teller machines, or to make transactions on any account other than the related Singapore Airlines Westpac Platinum Card Account. Only purchase transactions, not Cash Advances, can be made using a Singapore Airlines Westpac Platinum American Express Card.
- (c) When you make a transaction at any Electronic Banking Terminal, you authorise us to act on the instructions you enter into the terminal.
- (d) You should ensure that the transaction amount is correct before you sign vouchers or transaction records given to you by Merchants or financial institutions and before you enter your PIN at Electronic Banking Terminals. By signing a voucher or transaction record or entering your PIN at an Electronic Banking Terminal, you indicate your agreement that the transaction amount is correct.
- (e) Some Electronic Banking Terminals do not have an account selection facility. Where that is the case, any transaction will be processed to the Card Account.

- (f) In the event that an EFTPOS or other point of sale terminal malfunctions or is otherwise unavailable for use, the Merchant may provide alternative manual procedures to enable a transaction to be made. You will then be required to present your Card and sign a transaction voucher. A voucher signed by you authorises us to process the transaction to the Nominated Account.

4.6 Card acceptance

- (a) We are not responsible if a Merchant or financial institution refuses to accept a Card. Subject to any applicable law, we are not responsible for goods or services supplied to you. If you have a complaint or concern about goods or services purchased with your Card, you must resolve this directly with the Merchant.
- (b) Card promotional material displayed on any premises is not a warranty by us, by any other financial institutions or by Merchants carrying on business there that all goods and services available at those premises may be purchased with your Card.
- (c) The Credit Card Contract contains the entire agreement of the Card Account. Where your Card is being used to purchase goods or services from a Merchant, you should disregard any representation, warranty or statement which may be made in connection with the Credit Card Contract by the Merchant, its employees, agents or contractors.

4.7 Transaction limits

- (a) We reserve the right to limit or change the amount which may be withdrawn from a Nominated Account by use of a Card.
- (b) A maximum daily transaction limit applies to your Card for:
- cash withdrawals through automatic teller machines debited to any account; and

- transactions through EFTPOS terminals debited to a Cheque Account and/or Savings Account.

- (c) If you make a cash withdrawal at an automatic teller machine and you also make a transaction at an EFTPOS terminal on your Cheque Account and/or Savings Account on the same day, the total of those transactions cannot exceed the maximum daily transaction limit.
- (d) The maximum daily transaction limit does not apply at branch terminals.
- (e) Some Merchants may allow you to withdraw cash from a Cheque Account or Savings Account at EFTPOS terminals, subject to certain conditions. We accept no responsibility for any such conditions imposed by the Merchant. Where you select the credit button on an EFTPOS terminal, you cannot also withdraw cash.
- (f) A maximum daily cash withdrawal limit may apply at other financial institutions' ATMs. Those institutions may impose additional restrictions.
- (g) You will be advised of the maximum daily transaction limit when issued with a Card, and you will be subsequently advised of any changes to the limit.

4.8 Do transactions have to be authorised?

- (a) Certain transactions on the Card Account may need to be authorised by us before they can proceed. Prior to any transaction being completed, the Merchant or other person involved in the transaction may obtain an authorisation for the transaction. We may not authorise a transaction if:
- the credit limit would be exceeded; or
 - the Primary Cardholder is behind in making payments to the Card Account.
- (b) We reserve the right to decline authorisation for any transaction on the Card Account.

- (c) Once an authorisation is obtained, it will reduce the amount of available funds in the Card Account. If the purchase or other transaction is not completed, the amount of available funds in the Card Account may continue to be reduced for up to four Bank business days after the authorisation is obtained.

4.9 Transaction records

When you complete a transaction through an Electronic Banking Terminal you will receive a printed transaction record. Check your record carefully and retain it to aid in reconciling account statements. If a transaction record is unavailable, you will be notified prior to the completion of the transaction and given the choice of proceeding.

4.10 Processing date and posting of transactions

- (a) Transactions at our Electronic Banking Terminals may be processed to the Nominated Account on the day that you made the transaction or the following Bank business day.
- (b) If you use your Card in an Electronic Banking Terminal which is not owned by us, we will process the transaction to the Nominated Account as soon as we receive it. However, transactions may be assigned an effective date in accordance with clause 7.4.
- (c) When, on the same day, multiple transactions are made on the Card Account, or are received by us for processing to the Card Account, debit transactions (such as purchases and Cash Advances) are posted to your account before credit transactions (such as payments). This is the case, even where a credit transaction is made before a debit transaction, and it appears from an account balance enquiry made immediately after the credit transaction that the credit transaction has already been posted to the account.

4.11 Transaction information

To facilitate the processing of Card transactions, information relating to your Card details and transaction details may be processed by Visa Worldwide or American Express in countries other than Australia. By using your Card, you agree that information regarding the transaction may be processed outside Australia.

4.12 Anti-Money Laundering and Counter-Terrorism Financing Obligations

In order for us to meet our regulatory and compliance obligations relating to anti-money laundering and counter financing of terrorism, we will be increasing the levels of control and monitoring we perform. You should be aware that:

- transactions may be delayed, blocked, frozen or refused where we have reasonable grounds to believe that they breach Australian law or sanctions or the law or sanctions of another country. Where transactions are delayed, blocked, frozen or refused, Westpac and its correspondents are not liable for any loss you suffer (including consequential loss) howsoever caused in connection with your Card;
- we may from time to time require additional information from you to assist us in the above compliance process;
- where legally obliged to do so, we may disclose the information gathered to regulatory and/or law enforcement agencies, other banks or financial institutions, other members of the Westpac Group, service providers or to other third parties.

You provide Westpac the following undertakings and indemnify Westpac against any potential losses arising from any breach by you of such undertakings:

- you will not initiate, engage in or effect a transaction that may be a breach of Australian law or sanctions (or the law or sanctions of any other country); and
- the underlying activity for which your Card is being provided does not breach any Australian law or sanctions (or the law or sanctions of any other country).

5.0 The Card Account

5.1 How much credit can you obtain?

- (a) We will notify you in writing of the amount of credit that applies to the Card Account. This is called the “credit limit”.
- (b) Transactions made by you must not exceed the credit limit without our prior approval. However, transactions may, at our discretion, be allowed to proceed even though they will cause the credit limit to be exceeded. Remember, the credit limit applies to the Card Account – there is not a separate credit limit for the additional Card issued on the Card Account.
- (c) If the credit limit is exceeded, any amount in excess of the credit limit is payable immediately.

5.2 How much cash can you obtain?

- (a) The minimum amount of any Cash Advance may vary between financial institutions. The minimum you can obtain at our branches is \$20.
- (b) Before a Cash Advance is processed, you may be required to provide the following identification:

In **Australia** either:

 - a passport or driver’s licence bearing your photo; or
 - any two of the following items:
 - identity card bearing your photo;
 - driver’s licence without a photo;
 - another debit or credit card bearing your signature;

- employee identity card, union card or student card bearing your signature;
- pensioner identification card.

Overseas, a passport. Some overseas banks may require additional identification.

5.3 Amounts that are charged to the Card Account

The Card Account will be charged with, and accordingly the Primary Cardholder is required to pay us:

- the amount for goods and services bought directly from a Merchant or by mail order, telephone order or through the internet;
- the amount of all Cash Advances;
- the fees and charges in accordance with clauses 7.1 and 7.3; and
- interest charges imposed on Cash Advances and purchases in accordance with clause 7.2.

6.0 The Statements

6.1 How do you know how much you owe?

- (a) A statement for the Card Account will be issued each month to the Primary Cardholder. The date your statement is issued is called the “statement date” and the period from one statement date to the next statement date is called the “statement cycle”.
- (b) Your statement will either be mailed to you, or, instead of receiving paper statements in the mail, you may elect to obtain electronic statements from our website, westpac.com.au, using our Internet Banking service. You must be registered for Internet Banking, supply us with a valid email address and satisfy any other applicable eligibility criteria. The electronic statements option may be selected through Internet Banking after the Card Account has been opened.

- (c) Each month we will issue your statement to you on the statement date if:
- there are any amounts owing by you or to you; or
 - there have been any amounts debited or credited to the Card Account during the statement cycle.
- (d) Amounts shown on your statement will be expressed in Australian currency and must be settled in Australia in Australian currency. There is no facility for payment to be made overseas, other than by transferring funds using our Telephone Banking or Internet Banking services.
- (e) You should keep all vouchers and transaction records given to you or to the Additional Cardholder by Merchants and financial institutions, or issued by Electronic Banking Terminals, to help you check statements on the Card Account.

6.2 If you think there is a mistake

- (a) You agree that the amount shown on any sales voucher, Cash Advance voucher or transaction record is sufficient evidence of the cash price of the goods or services or the amount of the Cash Advance to which that voucher or transaction record relates.
- (b) You should check each statement carefully as soon as you receive it. If you wish to dispute an amount charged to the Card Account you must provide us with written notice of your dispute before the due date shown on your statement. If you do not dispute an amount shown on a statement by the due date, our ability to obtain a refund (if applicable) may be restricted under Visa or American Express scheme rules.
- Please refer to clause 10.1 for details of how to notify us of disputed transactions. Please read clause 11.2 to obtain details of your liability where unauthorised transactions are made on a Nominated Account.

7.0 The Charges

7.1 Fees and charges

- (a) Subject to all applicable laws, we may charge the Card Account with any fees or charges. The Annual Percentage Rate and other fees and charges applying to the Card Account are variable in accordance with clause 13.3.
- (b) The Card Account will be charged with an annual card fee following the first Cash Advance or purchase transaction, unless the Card Account features a waiver of the first year's annual card fee. The fee is then charged in subsequent years on or after the anniversary of the first Cash Advance or purchase transaction.
- (c) Other fees and charges may apply as outlined in the letter which advises the credit limit and other prescribed information which we are required to give you by law.

7.2 Interest charges

- (a) Interest charges on Cash Advances and (subject to the interest free period conditions) on purchases will be calculated in accordance with clause 7.2.1 and charged for each statement cycle at the statement date. Details of the interest charges will be shown on your statement.
- (b) The annual interest rate on purchases and the annual interest rate on Cash Advances on your Card are variable. Information on current interest rates and fees and charges applying to our Credit Cards is available on westpac.com.au or from any Westpac branch.

7.2.1 Calculation of interest charges

- (a) Cash Advances and purchases outstanding at the beginning of the statement cycle and recorded during the statement cycle are separately assessed for interest charges, under different conditions:

Cash Advances

If a Cash Advance is made after the start of the statement cycle to which the statement relates, the interest charge on the Cash Advance is calculated from the date the transaction is made or from the date assigned to the transaction in accordance with clause 7.4 (the “transaction date”) until the amount is paid in full. If the transaction date was before the start of the statement cycle to which the statement relates, the interest charge on the Cash Advance is calculated from the first day of that statement cycle until the amount is paid in full.

Purchases

If a purchase is made after the start of the statement cycle to which the statement relates, the interest charge on the purchase is calculated from the transaction date until the amount is paid in full, unless the purchase is eligible to obtain the benefit of the interest free period. If the transaction date was before the start of the statement cycle to which the statement relates, the interest charge on the purchase is calculated from the first day of that statement cycle until the amount is paid in full, unless the purchase is eligible to obtain the benefit of the interest free period.

- (b) The interest charges on Cash Advances and purchases (not receiving the benefit of the interest free period) are calculated daily, by applying the Daily Percentage Rate separately to the unpaid daily balances of Cash Advances and purchases. The total amount of interest charges debited to the Card Account is the sum of the interest charges on Cash Advances and purchases for the number of days in the statement cycle and may include adjustments relating to prior statement cycles.

7.2.2 Interest free period for purchases

- (a) Your Singapore Airlines Westpac Card Account offers an interest free period for purchases, subject to the conditions described in this clause.
- (b) **What is an interest free period?**
If an interest free period applies to a purchase, it will consist of:
- (i) the “initial interest free days” which start from the transaction date and end on the statement date; and
 - (ii) “further interest free days” which start after the statement date and end on the due date or payment date (whichever comes first).
- (c) **When does the “initial interest free days” condition apply?**
The “initial interest free days” will apply to a purchase if you pay the closing balance in full by the due date shown on the statement preceding that purchase.
- (d) **When does the “further interest free days” condition apply?**
A purchase will have “further interest free days”, only if:
- (i) you have paid the closing balance in full by the due date shown on the statement preceding the purchase (i.e. the “initial interest free days” condition has been met); and
 - (ii) you pay the closing balance in full by the due date shown on the statement recording that purchase.
- (e) **How many “further interest free days” apply to the Card Account?**
Up to 15 days.

(f) **What happens if payment is not made in full?**

If you do not pay the full amount of the closing balance by the due date shown on your statement, unpaid purchases outstanding as well as all new purchases will be included in the calculation of the interest charge.

7.3 Government charges

Subject to any applicable law, the Card Account will be charged with:

- all or any contract stamp duty payable in respect of the Credit Card Contract; and
- any government duties, taxes, rates or charges now or in the future charged upon or in relation to the use of your Card or transactions debited or credited to the Card Account, whether or not you are primarily liable for such duties, taxes, rates or charges.

7.4 Effective date and adjustments

- (a) We may assign any date we consider appropriate to a debit or a credit to the Card Account, but in the case of a debit, that date must not be earlier than the date on which the relevant transaction occurred. If we do this we may make consequential amendments (for example, to interest).
- (b) You are liable to us for the amount of any purchase or Cash Advance from the date we assign to the transaction under this clause 7.4, and the credit we provide under those amounts is payable under this contract.
- (c) We may subsequently adjust a debit or credit to the Card Account so as to accurately reflect the legal obligations of you and us (for example, because of an error or the dishonour of a cheque). If we do this, we may make consequential adjustments (for example, to interest).

8.0 Credit Card Repayment Protection

If you have requested Credit Card Repayment Protection, please note the following:

- Names of Insurers: Credit Card Repayment Protection is issued by the insurers who are Westpac General Insurance Limited and Westpac Life Insurance Services Limited.
- Calculation of insurance premium: The premium is calculated and debited monthly at 0.52% of the balance owing on the Card Account at the end of the statement cycle. If there is no balance owing at the end of the statement cycle, no premium is payable for that period.
- Insurance coverage: It helps cover your repayments if you lose your job, contract a sickness or disease or sustain an injury and aren't able to work. It will also pay the balance owing on the Card Account to a maximum of \$50,000 if you die. Conditions, limits and exclusions on cover apply and are explained in the insurance Product Disclosure Statement including policy wording (PDS).

You should consider the PDS before deciding whether to acquire the insurance. A copy of the PDS can be obtained by calling 1300 369 989 or visiting westpac.com.au

- Commissions: The Bank will be entitled to receive up to 20% of your premium (after government charges have been deducted) as distribution commission.
- Other: This insurance isn't compulsory nor is it an investment in or deposit with the Bank. The Bank does not guarantee payments under the policy.

9.0 The Payments

9.1 What is the minimum payment required?

- (a) The minimum payment that we require from you (being the Primary Cardholder) each month will be shown on the Card Account statement. Your payment due date is 15 days from your statement date.
- (b) If you do not wish to pay the full amount of the closing balance shown on your statement by the due date, you must pay at least the minimum payment shown on your statement by the due date.
- (c) If your statement shows a closing balance, the minimum payment will be equal to 2% of the closing balance (rounded up to the nearest dollar) or \$10, whichever is the greater, plus the greater of any unpaid past due amounts from previous statements or any amount that exceeds the credit limit.
- (d) You must pay the full amount of the closing balance if it is less than \$10.
- (e) Your minimum payment obligation may only be met by making payments in the ways described in clause 9.2. Credits to the Card Account in the form of sales refund transactions (the refund of purchases made using your Card) and interest or fee refunds are not counted towards your minimum monthly payment.

9.2 How and where can you make your payment?

- (a) You must make payments to the Card Account with Australian currency in Australia. As there is no facility for you to pay your account overseas, you must arrange for payments to be made to the Card Account whenever you are overseas.

- (b) You can make payments to the Card Account by:

- transferring funds from a Nominated Account at any Westpac automatic teller machine; or
- transferring funds through our Telephone Banking or Internet Banking services; or
- using our Card Autopay facility; or
- making a payment using BPAY[®]; or
- paying at our branches; or
- mailing your cheque payment to us at the address shown on your statement. **DO NOT SEND US CASH THROUGH THE MAIL.**

- (c) Payments must be received and credited to the Card Account by the due date. If you are mailing your payment you should allow more time for it to reach us.

- (d) Payments will be credited to the Card Account as soon as practicable after receipt.

- (e) If you cannot make a payment which is due, you should contact us immediately. We may be able to help you.

- (f) You may, any month, make a payment or payments which in aggregate exceed the amount of your minimum monthly payment. However, if you do, this does not affect your obligation to pay in full the minimum monthly payment dues in any subsequent month. If you do not pay the whole of any minimum monthly payment by its due date each month as set out in your statement of account, you may be liable for a missed payment charge in accordance with the Credit Card Contract.

9.3 ATM deposits

- (a) If you make a deposit at our automatic teller machines we will be responsible for the security of the deposit from the time the deposit is made; however, the amount of your deposit is subject to verification by us. Our count of the funds

deposited is regarded as conclusive evidence of the amount deposited. If there is a difference between the amount of the deposit and the amount written on the deposit slip, we will notify the Account Holder as soon as possible to advise the actual amount that has been credited to the account.

- (b) Cash deposited will not be available for withdrawal until after we have posted the cash amount to the account. Coins must not be included in a deposit payment envelope inserted in an automatic teller machine.
- (c) ATM deposits will be processed on the same day or the following Bank business day. Deposits made at ATMs not located at a branch of the Bank may take longer to be processed.

9.4 How we apply your payments

All payments made to the Card Account will be applied in the following order:

- interest charges incurred to date;
- Bank fees and charges incurred to date;
- government duties, taxes, rates and charges incurred to date;
- Cash Advances and purchases outstanding under Promotion Plans, shown on any statement. If more than one Promotion Plan applies to the Card Account, payment will first be applied to the Promotion Plan having the lowest Annual Percentage Rate, then to the Promotion Plan having the next lowest Annual Percentage Rate and so on, in ascending order. If the same Annual Percentage Rate applies to two Promotion Plans, payment will first be applied to the Promotion Plan having the earlier expiry date. If one of those Promotion Plans does not have an expiry date, payment will first be applied to that Promotion Plan;

- other purchases shown on any statement;
- other Cash Advances shown on any statement;
- Cash Advances and purchases outstanding under Promotion Plans, not shown on any statement. If more than one Promotion Plan applies to the Card Account, payment will first be applied to the Promotion Plan having the lowest Annual Percentage Rate, then to the Promotion Plan having the next lowest Annual Percentage Rate and so on, in ascending order. If the same Annual Percentage Rate applies to two Promotion Plans, payment will first be applied to the Promotion Plan having the earlier expiry date. If one of those Promotion Plans does not have an expiry date, payment will first be applied to that Promotion Plan;
- other purchases not shown on any statement;
- other Cash Advances not shown on any statement.

9.5 Uncleared funds

To protect against fraud, you cannot withdraw the value of deposited cheques until three Bank business days after the deposit has been made. In certain uncommon circumstances, this period may be extended by a further one, or even two, Bank business days. If drawings are made against a deposited cheque before it has been paid by the financial institution on which it is drawn, you will have to reimburse the Bank if the cheque is subsequently dishonoured.

9.6 Default and acceleration of amounts due

(a) You are in default under the Credit Card Contract if:

- you do not pay the whole of any amount due on or before its due date; or

- you do not comply with any other obligations under the Credit Card Contract; or
 - you commit an act of bankruptcy or enter into any assignment, arrangement or composition with any creditors.
- (b) If there is a default pursuant to 9.6(a) above, we may require immediate payment of all amounts you owe under this Credit Card Contract (including amounts accrued or charged but not yet debited to your account) that would not otherwise have been immediately payable.
- (c) Subject to clause 9.7, before we require immediate repayment in full pursuant to clause 9.6(b), we will give you 30 days written notice to allow you an opportunity to remedy the default. You agree that it does not waive our rights to, at a future point in time, give you a notice and require immediate repayment in full if we:
- (i) fail to give you a notice of an event of default when it occurs; or
 - (ii) give you notice of an event of default but we do not require immediate repayment in full.
- (d) We may provide your details to one or more credit reporting agencies for the purpose of advising that you have defaulted and/or committed a serious credit infringement. For details of Westpac's Privacy policy, please visit westpac.com.au or call into any Westpac branch. If you are experiencing financial difficulties, please refer to clause 9.8 "hardship" below or contact Westpac Assist on 1800 067 497.

9.7 Enforcement without notice

We will not give you notice before commencing enforcement proceedings, including the notice referred to in clause 9.6(c) in circumstances where the law does not require us to give you notice. The circumstances where the law may not require us to give you notice include, but are not limited to, circumstances where:

- (a) we believe on reasonable grounds, that we were induced by fraud on your part to enter into the Credit Card Contract;
 - (b) we have made reasonable efforts to locate you but without success; or
 - (c) a court authorises us to commence enforcement proceedings without notice to you.
- It is important that you update your contact details with Westpac when they change and ensure that they stay current and up to date.

10.0 Errors/Disputes and Resolutions

10.1 How to report a lost or stolen Card or PIN or unauthorised transactions

(a) What to do

You must immediately notify us if your Card or PIN record is lost or stolen, or you suspect that unauthorised transactions have been made on a Nominated Account(s). We will give you a notification number or some other form of acknowledgment which you should retain as evidence of the date and time of your report.

Where your report is made by telephone, we may require you to confirm it at one of our branches and complete certain documentation.

(b) How to tell us

If any Card is lost or stolen in Australia or overseas, the best way to contact us is to telephone us using the number listed at the front of these Conditions of Use. You may call in at one of our branches in Australia, but we prefer that you telephone us immediately so that we can put a stop on your Card straight away. If your Card is Visa or American Express branded and it is lost or stolen overseas, you may report the loss to:

- Visa Global Customer Assistance Services (if your Card is a Visa Card); or
- American Express Travel Service Office (if your Card is American Express branded); or
- any financial institution displaying the applicable scheme sign.

If you can't contact us by phone because our telephone numbers are not available, you will not be responsible for unauthorised use of your

Card which could have been prevented if you were able to contact us by phone.

You must, however, tell us of the loss or theft of your Card within a reasonable time from the reestablishment of our telephone reporting facilities.

- (d) Please note that we comply with the Electronic Funds Transfer Code of Conduct complaint investigation and resolution procedures in connection with electronic funds transfer transactions to which the Code applies.

11.0 Unauthorised Transactions

11.1 Protecting your Card and PIN

- (a) Because anyone who has your Card and PIN can make transactions on your Nominated Accounts, you must take special care to protect them.

- (b) To protect your Card you must:

- sign it as soon as you receive it;
- carry it with you whenever you can;
- regularly check that you still have your Card;
- not give your Card to anyone else, including a family member or friend.

- (c) If you make a record of your PIN you must keep it separate and well away from your Card unless the PIN is reasonably disguised. However, to minimise the risk of unauthorised transactions occurring on your account, it is best to keep your PIN record, even if disguised, separate and well apart from your Card.

For example, you must not keep your Card and undisguised PIN together:

- in a wallet, bag or briefcase, even if in different compartments;
- in your car, even if in different areas of your car;
- in your office or at home in the same room;
- in any other situation where your Card and PIN can be found and used.

- (d) To protect your PIN you must:

- try to memorise it;
- destroy our letter telling you your PIN (if applicable);
- not write your PIN on your Card, even if it is disguised;

- not keep a record of your PIN with or near your Card;
- not tell anyone your PIN, including family members, friends and our staff;
- if you select your own PIN, do not select a number or word that can be easily guessed, such as part of the data imprinted on your Card, a previously selected PIN, consecutive numbers, one number repeated or numbers which form a pattern, or that can easily be associated with you, such as your date of birth, telephone number, driver's licence number and so forth;
- make sure that nobody watches you enter your PIN at Electronic Banking Terminals;
- never enter your PIN in an Electronic Banking Terminal that does not look genuine, has been modified, has a suspicious device attached to it or is operating in a suspicious manner;
- be ready to make a transaction when you approach an Electronic Banking Terminal;
- make sure that you do not leave anything behind when you complete a transaction, including leaving your Card unattended in or at an Electronic Banking Terminal;
- notify us immediately if your PIN mailer has not been received intact, or if a PIN change has taken place without being requested.

- (e) If you select your own PIN, for security reasons you should endeavour to change it at regular intervals (say, every two years).

- (f) If you make a record of your PIN, you must either take reasonable steps to prevent unauthorised access to the record or ensure the record is reasonably disguised. We do not consider that you have made a reasonable attempt to disguise a PIN if you only:
- record it in reverse order;

- record it as a series of numbers with any of them marked to indicate the PIN;
- record the PIN as a telephone number with the PIN in its correct sequence anywhere within the telephone number;
- record the PIN as a telephone number where no other telephone numbers are recorded;
- disguise the PIN as a date or as an amount. There may be other forms of disguise which may be similarly unsuitable because of the ease of another person working out your PIN.

Please note: Liability for losses resulting from unauthorised transactions is determined under the relevant provisions of the Electronic Funds Transfer Code of Conduct, where that Code applies, notwithstanding the obligations listed above.

11.2 Liability for unauthorised transactions

11.2.1 Transactions not involving Manual Signature Comparison

This clause 11.2.1 explains the Account Holder's liability for losses resulting from unauthorised transactions which are initiated through Electronic Equipment and do not involve Manual Signature Comparison.

(a) When the Account Holder is not liable

- (i) The Account Holder will not be liable for losses resulting from unauthorised transactions where it is clear that the User has not contributed to the loss.
- (ii) The Account Holder will not be liable for losses resulting from unauthorised transactions that:
 - are caused by the fraudulent or negligent conduct of our staff or agents or of companies involved in networking arrangements or of Merchants who are linked to the electronic funds transfer system or of their agents or employees; or

- happen before the User receives their Card or receives or selects their PIN, including a replacement or reissued Card or PIN; or
- happen after we have been notified that a Card has been misused, lost or stolen or that PIN security has been breached; or
- are made with a Card or PIN that is forged, faulty, expired or cancelled (as applicable); or
- are the result of the same transaction being incorrectly debited more than once to the same account.

(b) When the Account Holder is liable

- (i) The Account Holder will be liable for losses resulting from transactions which are carried out by the User, or by another person with the User's knowledge and consent.
- (ii) The Account Holder will be liable for actual losses resulting from unauthorised transactions caused by the User:
 - engaging in fraud; or
 - voluntarily disclosing their PIN to anyone, including a family member or friend; or
 - keeping a record of their PIN;
 - without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and
 - in a way that it could be lost or stolen with their Card; or
 - writing their PIN or a disguised record of their PIN on their Card; or
 - selecting a PIN which represents their birth date, or being an alphabetical PIN which is a recognisable part of their name, after we have asked them not to select such a PIN and told them of the consequences of doing so; or
 - acting with extreme carelessness in failing to protect their PIN.

(iii) The Account Holder will also be liable for actual losses resulting from unauthorised transactions caused by the User unreasonably delaying notifying us of the misuse, loss or theft of their Card, or of their PIN becoming known to someone else. The Account Holder's liability will only extend to losses which occur between the time when the User became aware (or should reasonably have become aware) of such misuse, loss or theft and when we were actually notified.

(iv) The Account Holder will not be liable to pay for:

- that portion of the losses incurred on any one day which exceed the daily transaction limit applicable to the Card or any Nominated Account(s);
- that portion of the losses incurred which exceed the balance of their Nominated Account(s), including any pre-arranged credit;
- losses incurred on any accounts which the Account Holder and the Bank had not agreed could be accessed using the Card and PIN.

(v) The Account Holder's liability is subject to the Bank proving on the balance of probability that the User contributed to the losses in one or more of the ways listed above.

(c) **When limited liability applies**

The Account Holder will only be liable for losses resulting from unauthorised transactions to a limited extent, in circumstances where a PIN was required to perform the transaction and it is unclear whether the user contributed to the loss. The Account Holder's liability in such cases will be the least of:

- \$150; or
- the balance of the Nominated Account(s), including any pre-arranged credit; or

- the actual loss at the time we are notified of the misuse, loss or theft of the Card or of the PIN becoming known to someone else (excluding that portion of the loss incurred on any one day which exceeds the applicable daily transaction limit).

11.2.2 Other unauthorised transactions

The Account Holder will not be liable for losses resulting from unauthorised transactions made on the Card Account, provided the Card Account is in good standing and the User:

- has exercised vigilant care in safeguarding their Card from risk of loss, theft or unauthorised use; and
- immediately and without delay takes reasonable steps to notify us upon discovery of the loss, theft or unauthorised use of their Card, in terms of clause 10.1(a); and
- has not reported two or more incidents of unauthorised use in the preceding 12 months; and
- has complied with the Credit Card Contract.

Notwithstanding the above, the Account Holder will not be liable for losses resulting from unauthorised transactions made on a Nominated Account after we receive notice from the User in terms of clause 10.1(a).

Until we receive such notice, the Account Holder may be liable for losses resulting from unauthorised transactions which were not initiated through Electronic Equipment and/or involved Manual Signature Comparison.

11.2.3 eCommerce Transactions

If an unauthorised transaction is an eCommerce Transaction and we are notified that the transaction is unauthorised by the due date shown on the Card Account statement, the Account Holder will not be liable for the amount of the transaction.

11.2.4 Where we may not process your claim

In cases where you do not provide us with the information we request within 14 days, we may be unable to process your claim and the disputed charge(s) may remain your responsibility.

- (c) We will not be responsible if an Electronic Banking Terminal does not accept your instructions or your Card fails to work in the terminal.

 - We may notify you of an increase to the Annual Percentage Rate by written notice no

Unless you are in default, we will notify you in writing of these changes as soon as practicable after we have done this, usually when we send the next statement of your Card Account after the change takes effect. We may do this without prior notice if:

- we believe the use of the Cards or Card Account may cause loss to you or to us; or
- the Card Account is an inactive account.

We will not increase your credit limit unless you request us to do so or you give us written consent to do so and you meet our relevant lending criteria.

(f) **Other changes**

- We may notify you of any other change by giving you written notice no later than 20 days before the change takes effect. Such changes may include:

If you do not wish to receive this information, please contact Singapore Airlines on singaporeair.com.au

14.2 Change of name or address

You agree to promptly notify us of any change to your name or address. If you fail to notify us of your change of address:

- you may prejudice your rights under the Credit Card Contract; and
- Miles transferred to Singapore Airlines by us may be returned to us without being credited to your KrisFlyer account.

If you are a KrisFlyer Programme member, you also agree to notify Singapore Airlines of any change to your name or address in accordance with the terms and conditions of the KrisFlyer Programme.

14.3 Service fees

We may pay service fees to the person from whom you obtained your application form. If so, the amount of the commission, if ascertainable, and the identity of the person to whom the payment is made are set out in the brochure which accompanied your application form. In particular, if you applied for your Card using an application form collected from one of our in-store locations, we will pay a service fee of \$20 to the proprietor of that in-store location.

You can obtain a list of our in-store locations by telephoning us using the number listed at the front of these Conditions of Use.

14.4 Certificate of balance

A certificate signed by one of our officers stating the balance of the Card Account will be sufficient evidence of the amount of the Primary Cardholder's liability to us at the date of issuing that certificate.

14.5 Set off – no deduction

If you (being the Primary Cardholder) have money in any account with us (other than the Card Account) we can, but need not, use it to pay amounts owing under the Credit Card Contract. If the Card Account has a positive (credit) balance, we may also use all or part of that balance to clear debts which you owe us in other loan or deposit accounts. If we do this, the balance of the account from which we have taken the money will reduce by the amount used for this purpose.

To the maximum extent allowed by law, you give up any right to set off any amounts we owe you (for example, credit balances in your other accounts or any deposit) against amounts you owe under the Credit Card Contract. You will need to pay any money you are required to pay under the Credit Card Contract without deducting amounts you claim are owing to you by us or any other person.

14.6 Exercising our rights

If we fail to exercise or delay in exercising any of our rights under these Conditions of Use, that failure or delay does not constitute a waiver of our rights. We may exercise our rights under these Conditions of Use at any time, despite any previous failure or delay on our part.

14.7 Governing law

These Conditions of Use are governed by the laws of New South Wales.

14.8 Non-assignment

You may not assign your rights under this contract to another person. The Bank may transfer this contract to someone else. If the Bank wants to do so it can give anyone all information that privacy laws allow it to give. If the Bank transfers this contract, the contract will apply to the transferee as if it were the Bank.

14.9 Electronic communication

Where you have provided electronic contact details, and if the law allows it, Westpac may communicate with you electronically. Examples of electronic communication include Westpac sending you emails at an email address you have supplied or an SMS to a mobile number you have provided or other similar mediums.

14.10 Credit review

We have the right to review your Card Account from time to time at our sole discretion. You acknowledge that we will provide personal information to one or more credit reporting agencies as permitted by the Privacy Act 1988 (Cth) for each review and that a credit report may be obtained from these credit reporting agencies for the purpose of any such review.

(d) Where you (or the Additional Cardholder) return any goods or services purchased with your Card, or the Card Account is credited in connection with a disputed transaction, and:

be transferred by us to Singapore Airlines for Singapore Airlines to credit these to your KrisFlyer Account. We may also transfer Miles earned by you from the first use of your Card Account to the Information Date to Singapore Airlines in our discretion.

- (c) If your Card or Card Account is not in order on any statement date on which Miles are due to be transferred to Singapore Airlines with the exception on this occasion of negative Miles which will carry over to any subsequent statement period, you forfeit the Total Miles eligible to be transferred for that statement period (which will include any Miles brought forward from a previous statement period).

15.6 Changes to your KrisFlyer Member Details

You are responsible for advising Westpac of any changes to your KrisFlyer Member Details.

We investigate all queries and make a final decision in the event of any dispute.

Therefore, Miles are governed by and are subject to the terms and conditions of the KrisFlyer Programme. Westpac is not responsible for the KrisFlyer Programme in any way. If Singapore Airlines discontinues, or makes any changes to, the KrisFlyer Programme, Westpac will not be responsible for the impact this may have on Miles earned through use of your Card.
- (d) You are responsible to pay or reimburse us for any tax liability (including any GST that may be payable), stamp duty or other duty or government charges or airport charges incurred in connection with the receipt of Miles.
- (e) We make no express or implied warranty or representation in connection with Miles and are not liable for any loss you suffer arising in connection with Miles, including loss suffered due to Singapore Airlines ceasing to operate the KrisFlyer Programme or Singapore Airlines ceasing its operations.

15.8 Discount mile vouchers

- the way you earn Miles, Promotional Miles, Special Offer Miles and Bonus Miles, according to the type of Card used to make a purchase.

We will notify you of variations relating to Miles as set out in clause 13.3.

16.0 Statutory Information We are Required to Give You

Notice we are required to give you under the Consumer Credit Code:

THINGS YOU SHOULD KNOW ABOUT YOUR PROPOSED CREDIT CONTRACT.

The law states that your credit provider must give you this information about your proposed credit contract. This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract. If you have any concerns about your contract, contact your credit provider and, if you still have concerns, contact your Government Consumer Agency, or get legal advice.

THE CONTRACT

1. How can I get details of my proposed credit contract?

Your credit provider must give you a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before:

- your contract is entered into; or
- you make an offer to enter into the contract;

whichever happens first.

2. How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply, if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy:

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as:

- you have not obtained any credit under the contract; or

- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up. Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example:

- you get at least same day notice for a change to an annual percentage rate. The notice may be a written notice to you or a notice published in a newspaper.
- you get at least 20 days advance written notice for:
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider; except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider.

Discuss the matter and see if you can come to some arrangement. If that is not successful you could apply to the court. Contact the Government Consumer Agency or get legal advice on how to go about this.

INSURANCE

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days

after the insurer has accepted the insurance proposal. Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance. You can always ask the insurer for details of your insurance contract. If you ask in writing your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

GENERAL

15. What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways.

For example:

- to extend the term of the contract and either reduce the amount of each payment accordingly or defer payments for a specified period; or

- to simply defer payments for a specified period.

16. What if my credit provider and I cannot agree on a suitable arrangement?

If you have been unemployed, sick or there is another good reason why you are having problems with your contract, then your contract may be able to be changed to meet your situation. You may be able to apply to the court. Contact your Government Consumer Agency or get legal advice on how to go about this.

There are other people, such as financial counsellors, who may be able to help.

17. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you cannot be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact your Government Consumer Agency or the Australian Competition and Consumer Commission, or get legal advice.

18. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations.

You should also **READ YOUR CONTRACT** carefully.

IF YOU HAVE ANY DOUBTS, OR WANT MORE INFORMATION, CONTACT YOUR GOVERNMENT CONSUMER AGENCY OR GET LEGAL ADVICE. PLEASE KEEP THIS INFORMATION STATEMENT. YOU MAY WANT SOME INFORMATION FROM IT AT A LATER DATE.
