• Travel must be via a published route. Backtracking is not permitted.

• To confirm the exact mileage required, please contact KrisFlyer Membership Services.

• Taxes, surcharges and fees are applicable in addition to the redemption mileage required.

† Mileage indicated is only valid for non-stop flights (no connections or transits) between two destinations.

^ When a member claims an award in a class of service that is available on only certain sectors of a trip, a lower class of service may be substituted by Singapore Airlines for the other sectors of the trip. The award redemption level for the entire trip may be determined according to the actual classes of service flown, except for the zones marked ^, where the highest class of service flown will determine the redemption award level.
