Destination (figures in thousands of KrisFlyer miles)

ECONOMY SAVER
BUSINESS SAVER
FIRST SAVER

One-way award tickets require 70% of the KrisFlyer miles needed for round-trip award tickets in the same class of service.

Economy, Business and First Class unrestricted awards require two times the KrisFlyer miles needed for Economy Saver, Business Saver and First Saver awards respectively.

Only unrestricted awards are available for redemption in First and Business Class on B777-300ER flights. Only unrestricted awards are available for redemption of Business Class on A380 flights. There is no First Class on the Singapore Airlines A380. No redemption is available for the Singapore Airlines Suites.

Only Saver Awards are available for flights on SilkAir.

* To confirm the exact mileage required, please contact KrisFlyer Membership Services.

† Mileage indicated is only valid for non-stop flights (no connections or transits) between two destinations.

NOTE:

- Seat availability may be capacity controlled.
- Redemption may not be permitted on Singapore Airlines code-share flights operated on aircraft of other airlines.
- Round-trip saver awards allow for one complimentary stopover while round-trip unrestricted awards offer two free stopovers. Each additional stopover above the respective entitlement is available for 10,000 KrisFlyer miles regardless of your class of travel.
- One open-jaw is permitted at either the origin, the turnaround point or en route on every

round-trip itinerary. If the mileage differs, the higher mileage will be charged.

- Travel must be via a published route. Backtracking is not permitted.
- Please note that SilkAir and selected Singapore Airlines flights have only Economy and Business Class cabins. First Class redemption on Singapore Airlines, which includes connecting to Singapore Airlines or SilkAir flights which have only two cabin classes, will be allocated Business Class seats on the flight with only two cabin classes.
- Taxes, surcharges and fees are applicable in addition to the redemption mileage required.

^ When a member claims an award in a class of service that is available on only certain sectors of a trip, a lower class of service may be substituted by Singapore Airlines for the other sectors of the trip. The award redemption level for the entire trip may be determined according to the actual classes of service flown, except for the zones marked '^', where the highest class of service flown will determine the redemption award level.

Effective from January 2008
