

KrisFlyer mileage accrual levels on Singapore Airlines, SilkAir and Partner airlines

Mileage accrual eligibility and levels on codeshare flights are determined by the operating carrier. Please confirm your booking class during reservation to determine if your ticketed flight is eligible for KrisFlyer mileage accrual.

To find out the miles you can earn from partner frequent flyer programmes, please visit the respective partner's website for more details.

For information relating to Elite miles which are used to track towards Elite Silver and Elite Gold status, please refer [here](#).

The information below is applicable to the date of departure.

² Applicable for flights departing on or after 5 June 2018. Mileage accrual for flights on Air Canada will be based on the fare option purchased, regardless of the booking class. If you have booked your flight via aircanada.com, you can see the fare option purchased on your itinerary receipt. If you made your booking through other channels, you may not see the fare option you have purchased. To confirm the fare option you have purchased, contact your travel agent, or view the number of miles you have earned by checking your KrisFlyer account statement.

³ Applicable for flights departing on or after 1 September 2018.

⁴ Applicable for flights departing on or after 1 December 2018. 'GO Light' fares on European flights are ineligible for accrual of miles, regardless of travel class. 'GO Light' fares on international flights are ineligible for accrual of miles on K & L class.

⁵ Applicable for flights departing on or after 1 December 2018.

⁶ Applicable for flights departing on or after 15 December 2018.
