Singapore Airlines Limited

30 June 2016

Dear Sir/Madam

1. INTRODUCTION

1.1 Notice of AGM. We refer to:

- (a) the Notice of Annual General Meeting of Singapore Airlines Limited (the “**Company**”) dated 30 June 2016 (the “**Notice**”), accompanying the FY2015/16 Annual Report, convening the Forty-Fourth Annual General Meeting of the Company to be held on 29 July 2016 (the “**2016 AGM**”);
- (b) Ordinary Resolution No. 9 relating to the proposed renewal of the IPT Mandate (as defined in paragraph 2.1 below, as proposed in the Notice);
- (c) Ordinary Resolution No. 10 relating to the proposed renewal of the Share Buy Back Mandate (as defined in paragraph 3.1 below, as proposed in the Notice); and
- (d) Special Resolution No. 11 relating to the proposed adoption of the New Constitution (as defined in paragraph 4.2 below, as proposed in the Notice).

- 1.2 **Letter to Shareholders.** The purpose of this Letter to Shareholders (the “**Letter**”) is to provide shareholders of the Company (“**Shareholders**”) with information relating to Ordinary Resolution Nos. 9 and 10 and Special Resolution No. 11 proposed in the Notice (collectively, the “**Proposals**”).
- 1.3 **SGX-ST.** The Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Letter.
- 1.4 **Advice to Shareholders.** If a Shareholder is in any doubt as to the course of action he should take, he should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

2. THE PROPOSED RENEWAL OF THE MANDATE FOR INTERESTED PERSON TRANSACTIONS

- 2.1 **Background.** At the Annual General Meeting of the Company held on 30 July 2015 (the “**2015 AGM**”), Shareholders approved, *inter alia*, the renewal of a mandate (the “**IPT Mandate**”) to enable the Company, its subsidiaries and associated companies which are considered to be “entities at risk” (as that term is defined in Chapter 9 of the Listing Manual of the SGX-ST (the “**Listing Manual**”) to enter into certain interested person transactions with the classes of interested persons (the “**Interested Persons**”) as set out in the IPT Mandate.

Particulars of the IPT Mandate were set out in Appendix 2 to the Company’s Letter to Shareholders dated 1 July 2015 (the “**2015 Letter**”) and Ordinary Resolution 6.3 as set out in the Notice of the 2015 AGM. The IPT Mandate was expressed to take effect until the conclusion of the next Annual General Meeting of the Company, being the 2016 AGM which is scheduled to be held on 29 July 2016.

- 2.2 **Renewal of the IPT Mandate.** The Directors propose that the IPT Mandate be renewed at the 2016 AGM to take effect until the Forty-Fifth Annual General Meeting of the Company. There is no change to the scope and terms of the IPT Mandate which is proposed to be renewed.
- 2.3 **Appendix 1.** Details of the IPT Mandate, including the rationale for, and the benefits to, the Company, the review procedures for determining transaction prices with the Interested Persons and other general information relating to Chapter 9 of the Listing Manual, are set out in Appendix 1 to this Letter.
- 2.4 **Audit Committee Statement.** The Audit Committee of the Company, comprising Gautam Banerjee, William Fung Kwok Lun and Hsieh Tsun-yan, confirms that:
 - (a) the methods or procedures for determining the transaction prices under the IPT Mandate have not changed since the 2015 AGM; and
 - (b) the methods or procedures referred to in sub-paragraph (a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

3. THE PROPOSED RENEWAL OF THE SHARE BUY BACK MANDATE

- 3.1 **Background.** At the 2015 AGM, Shareholders approved, *inter alia*, the renewal of a mandate (the “**Share Buy Back Mandate**”) to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company (“**Shares**”).

The rationale for, the authority and limitations on, and the financial effects of, the Share Buy Back Mandate were set out in the 2015 Letter and Ordinary Resolution 6.4 as set out in the Notice of the 2015 AGM.

The Share Buy Back Mandate was expressed to take effect on the date of the passing of Ordinary Resolution 6.4 at the 2015 AGM and will expire on the date of the forthcoming 2016 AGM which is scheduled to be held on 29 July 2016. Accordingly, the Directors propose that the Share Buy Back Mandate be renewed at the 2016 AGM.

As at 2 June 2016, being the latest practicable date prior to the printing of this Letter (the “**Latest Practicable Date**”), the Company had purchased or acquired an aggregate of 11,316,000 Shares by way of On-Market Share Buy Backs (as defined in paragraph 3.2.3 below) pursuant to the Share Buy Back Mandate approved by Shareholders at the 2015 AGM. The highest and lowest price paid was S\$10.71 and S\$9.59 per Share respectively and the total consideration paid for all purchases was S\$115,829,609.53, excluding commission, brokerage and goods and services tax.

As at the Latest Practicable Date, 11,833,362 Shares were held as treasury shares.

- 3.2 **Authority and Limits on the Share Buy Back Mandate.** The authority and limitations placed on the purchases or acquisitions of Shares by the Company (the “**Share Buy Backs**”) pursuant to the Share Buy Back Mandate, if renewed at the 2016 AGM, are substantially the same as previously approved by Shareholders at the 2015 AGM and are summarised below:

3.2.1 *Maximum Number of Shares*

Only Shares which are issued and fully paid may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buy Back Mandate is limited to that number of Shares representing not more than 5% of the issued Shares as at the date of the 2016 AGM at which the renewal of the Share Buy Back Mandate is approved. Any Shares which are held as treasury shares will be disregarded for the purposes of computing the 5% limit.

3.2.2 *Duration of Authority*

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2016 AGM at which the renewal of the Share Buy Back Mandate is approved, up to:

- (a) the date on which the next Annual General Meeting of the Company is held or required by law to be held;

- (b) the date on which the authority conferred by the Share Buy Back Mandate is revoked or varied; or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Buy Back Mandate are carried out to the full extent mandated,

whichever is the earliest.

3.2.3 ***Manner of Share Buy Backs***

A Share Buy Back may be made by way of:

- (a) an on-market Share Buy Back (“**On-Market Share Buy Back**”), transacted on the SGX-ST through the SGX-ST’s trading system, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) an off-market Share Buy Back in accordance with an equal access scheme (“**Off-Market Equal Access Share Buy Back**”) effected pursuant to Section 76C of the Companies Act, Chapter 50 (the “**Companies Act**”).

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy Back Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Equal Access Share Buy Back must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Equal Access Share Buy Back, it will, pursuant to Rule 885 of the Listing Manual, issue an offer document containing at least the following information:

- (I) the terms and conditions of the offer;
- (II) the period and procedures for acceptances; and
- (III) the information required under Rules 883(2), (3), (4), (5) and (6) of the Listing Manual.

3.2.4 **Purchase Price**

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the committee constituted for the purposes of effecting Share Buy Backs. The purchase price to be paid for the Shares pursuant to Share Buy Backs (both On-Market Share Buy Backs and Off-Market Equal Access Share Buy Backs) must not exceed 105% of the Average Closing Price of the Shares (excluding related expenses of the purchase or acquisition) (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the last dealt prices of a Share for the five consecutive trading days on which the Shares are transacted on the SGX-ST immediately preceding the date of the On-Market Share Buy Back by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Equal Access Share Buy Back, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs after the relevant five-day period; and

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Equal Access Share Buy Back, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Equal Access Share Buy Back.

- 3.3 **Rationale for Share Buy Back Mandate.** The renewal of the Share Buy Back Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions up to the 5% limit described in paragraph 3.2.1 above at any time, subject to market conditions, during the period when the Share Buy Back Mandate is in force.

In managing the business of the Company and its subsidiaries (the “**Group**”), management strives to increase Shareholders’ value. Share Buy Backs are one of the ways through which Shareholders’ value may be enhanced. Share Buy Backs are intended to be made as and when the Directors believe them to be of benefit to the Company and/or the Shareholders.

A share repurchase programme will also allow management to effectively manage and minimise the dilution impact (if any) associated with employee share schemes.

While the Share Buy Back Mandate would authorise a purchase or acquisition of Shares up to the 5% limit described in paragraph 3.2.1 above, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buy Back Mandate may not be carried out to the full 5% limit as authorised and no purchases or acquisitions of Shares would be made in circumstances which would have or may have a material adverse effect on the financial condition of the Company.

- 3.4 **Status of Purchased Shares.** Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.
- 3.5 **Treasury Shares.** Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

3.5.1 **Maximum Holdings**

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

3.5.2 **Voting and Other Rights**

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.5.3 **Disposal and Cancellation**

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Singapore Code on Take-overs and Mergers (the "**Take-over Code**")):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

- 3.6 **Funding of Share Buy Backs.** The Company may use internal or external sources of funds to finance Share Buy Backs. The Directors do not propose to exercise the Share Buy Back Mandate to such extent that it would materially affect the working capital requirements, financial flexibility or investment ability of the Group.
- 3.7 **Financial Effects.** The financial effects of a Share Buy Back on the Group and the Company will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the audited financial statements of the Group and the Company will depend, *inter alia*, on the factors set out below.

3.7.1 ***Purchase or Acquisition out of Profits and/or Capital***

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

3.7.2 ***Number of Shares Purchased or Acquired***

Based on 1,199,851,018 issued Shares as at the Latest Practicable Date (out of which 11,833,362 Shares were held in treasury as at that date), and assuming no further Shares are issued or repurchased, or held by the Company as treasury shares, on or prior to the 2016 AGM, the purchase by the Company of up to the maximum limit of 5% of its issued Shares (excluding the 11,833,362 Shares held in treasury) will result in the purchase or acquisition of 59,400,882 Shares.

3.7.3 ***Maximum Price Paid for Shares Purchased or Acquired***

Assuming that the Company purchases or acquires the 59,400,882 Shares at the Maximum Price of S\$11.15 for each Share (being the price equivalent to 105% of the average last dealt prices of the Shares for the five consecutive trading days on which

the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for such Share Buy Back is approximately S\$662.32 million.

The maximum amount of funds required for such Share Buy Back is the same regardless of whether the Company effects an On-Market Share Buy Back or an Off-Market Equal Access Share Buy Back.

For illustrative purposes only, assuming:

- (a) the Share Buy Back Mandate had been effective since 1 April 2015;
- (b) the issued share capital as at 1 April 2015 was the same as the issued share capital as at the Latest Practicable Date, that is, 1,199,851,018 issued Shares (out of which 11,833,362 Shares were held in treasury);
- (c) the Company had on 1 April 2015 purchased 59,400,882 Shares (representing 5% of its issued Shares (excluding the Shares held in treasury) as at the Latest Practicable Date) at the Maximum Price of S\$11.15 for each Share (being 105% of the average last dealt prices of the Shares for the five consecutive trading days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date); and
- (d) the purchase or acquisition of 59,400,882 Shares was made equally out of profits and capital and either cancelled or held in treasury,

the financial effects of the Share Buy Back on the audited financial statements of the Group and the Company for the financial year ended 31 March 2016 would have been as follows:

Share Buy Back of up to a maximum of 5% made equally out of profits (2.5%) and capital (2.5%) and either cancelled or held in treasury

Notes:

- (1) For the purpose of calculating EPS, in the case where Shares are bought back and held in treasury, the “weighted average number of issued and paid-up Shares” excludes Shares held in treasury.
- (2) “Total borrowings” means short term and long term notes payable, loans, and finance lease commitments.
- (3) “Liquid investments, cash and cash equivalents” means short term investments, cash and bank balances.
- (4) “Net borrowings” means total borrowings less liquid investments, cash and cash equivalents.
- (5) “Equity holders’ funds” means the aggregate of issued share capital and reserves.
- (6) “Gearing” is defined as the ratio of total borrowings to equity holders’ funds.
- (7) “ROE” is determined by calculating the profit attributable to equity holders of the Company expressed as a percentage of the average equity holders’ funds.

SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE FOR ILLUSTRATION PURPOSES ONLY (BASED ON THE AFOREMENTIONED ASSUMPTIONS). IN PARTICULAR, IT IS IMPORTANT TO NOTE THAT THE ABOVE ANALYSIS IS BASED ON THE HISTORICAL PROFORMA NUMBERS FOR THE FINANCIAL YEAR ENDED 31 MARCH 2016, AND IS NOT NECESSARILY REPRESENTATIVE OF FUTURE FINANCIAL PERFORMANCE.

Although the Share Buy Back Mandate would authorise the Company to purchase or acquire up to 5% of its issued Shares (excluding Shares held in treasury), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 5% of its issued Shares (excluding Shares held in treasury). In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares.

- 3.8 **Shareholding Limits.** The Existing Constitution (as defined in paragraph 4.2 below) currently prescribes a limit of 5% (the “**Prescribed Limit**”) of the issued Shares in which any single Shareholder or related groups of Shareholders (other than Temasek Holdings (Private) Limited (“**Temasek**”) and/or such other person or persons with the approval of the Directors) may have an interest. The Prescribed Limit will be preserved in the New Constitution (as defined in paragraph 4.2 below), save that treasury shares are proposed to be excluded when calculating 5% of the issued Shares.

As the number of the issued Shares (excluding treasury shares) will be diminished by the number of Shares purchased or acquired by the Company, the shareholding percentage of Shareholders whose Shares are not repurchased or acquired by the Company may increase correspondingly after each Share Buy Back. The Company wishes to draw the attention of the Shareholders to the following consequences of a purchase or acquisition of Shares by the Company pursuant to the Share Buy Back Mandate, if the proposed renewal of the Share Buy Back Mandate is approved by the Shareholders at the 2016 AGM:

A SHARE BUY BACK BY THE COMPANY MAY INADVERTENTLY CAUSE THE PERCENTAGE SHAREHOLDING OF SHAREHOLDERS (IN PARTICULAR, SHAREHOLDERS WHOSE CURRENT HOLDING OF SHARES IS CLOSE TO 5%) TO EXCEED THE PRESCRIBED LIMIT. SHAREHOLDERS WHOSE HOLDING OF SHARES MAY POTENTIALLY EXCEED THE PRESCRIBED LIMIT ARE ADVISED TO TAKE ONE OF THE FOLLOWING ACTIONS:

- (A) SEEK PRIOR WRITTEN APPROVAL OF THE DIRECTORS TO HOLD SHARES IN EXCESS OF THE PRESCRIBED LIMIT IN THE EVENT OF A SHARE BUY BACK; OR**
- (B) TAKE ACTION TO SELL PART OF THEIR HOLDING OF SHARES AT THE APPROPRIATE TIME TO AVOID VIOLATING THE PRESCRIBED LIMIT.**

- 3.9 **Take-over implications arising from Share Buy Backs.** Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

3.9.1 *Obligation to make a Take-over Offer*

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

3.9.2 *Persons Acting in Concert*

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.9.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting

rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy Back Mandate.

Based on the interests of substantial Shareholders as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date as set out in paragraph 5.2 below, Temasek will not become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the purchase by the Company of the maximum limit of 5% of its issued Shares (excluding treasury shares) as at the Latest Practicable Date.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any Share Buy Back by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

- 3.10 **Listing Status of the Shares.** The Listing Manual requires a listed company to ensure that at least 10% of the equity securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders. As at the Latest Practicable Date, Temasek, a substantial Shareholder of the Company, had a direct and deemed interest in approximately 55.41% of the issued Shares (excluding Shares held in treasury). Approximately 44.51% of the issued Shares (excluding Shares held in treasury) were held by public Shareholders as at the Latest Practicable Date. Accordingly, the Company is of the view that there is a sufficient number of issued Shares held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full 5% limit pursuant to the proposed Share Buy Back Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or affect orderly trading.
- 3.11 **Reporting Requirements.** Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of an On-Market Share Buy Back, on the market day following the day of purchase or acquisition of any of its shares, and (b) in the case of an Off-Market Equal Access Share Buy Back, on the second market day after the close of acceptances of the offer. Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

3.12 **No Purchases During Price Sensitive Developments.** While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buy Back Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealing set out in Rule 1207(19)(c) of the Listing Manual, the Company will not purchase or acquire any Shares through on-market or off-market Share Buy Backs during the period of one month immediately preceding the announcement of the Company’s full-year results, and the period of two weeks immediately preceding the announcement of the Company’s results for each of the first three quarters of the financial year.

4. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION

4.1 **Companies (Amendment) Act 2014.** The Companies (Amendment) Act 2014 (the “**Amendment Act**”), which was passed in Parliament on 8 October 2014 and took effect in phases on 1 July 2015 and 3 January 2016 respectively, introduced wide-ranging changes to the Companies Act. The changes aim to reduce regulatory burden on companies, provide for greater business flexibility and improve the corporate governance landscape in Singapore. The key changes include the introduction of a multiple proxies regime to enfranchise indirect investors and CPF investors, provisions to facilitate the electronic transmission of notices and documents, and the merging of the memorandum and articles of association of a company into one document called the “constitution”.

4.2 **New Constitution.** The Company is accordingly proposing to adopt a new constitution (the “**New Constitution**”), which will consist of the memorandum and articles of association of the Company which were in force immediately before 3 January 2016 (the “**Existing Constitution**”), and incorporate amendments to take into account the changes to the Companies Act introduced pursuant to the Amendment Act. At the same time, the existing objects clauses will be replaced with a general provision giving the Company full capacity to carry on or undertake any business or activity, do any act or enter into any transaction. The proposed New Constitution also contains updated provisions which are consistent with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date, in compliance with Rule 730(2) of the Listing Manual. In addition, the Company is taking this opportunity to include provisions in the New Constitution to address the personal data protection regime in Singapore, and also to streamline and rationalise certain other provisions.

- 4.3 **Summary of Principal Provisions.** The following is a summary of the principal provisions of the New Constitution which are significantly different from the equivalent provisions in the Existing Constitution, or which have been included in the New Constitution as new provisions, or which have been removed in the New Constitution:

4.3.1 **Companies Act**

The following Articles include provisions which are in line with the Companies Act, as amended pursuant to the Amendment Act:

- (a) **Article 1 (Article 2 of Existing Constitution).** Article 1, which is the interpretation section of the New Constitution, includes the following additional/revised provisions:
- (i) new definitions of “registered address” and “address” to make it clear that these expressions mean, in relation to any Shareholder, his physical address for the service or delivery of notices or documents personally or by post, except where otherwise expressly provided;
 - (ii) a new provision stating that the expression “Depository Register” shall have the meaning ascribed to it in the Securities and Futures Act, Chapter 289 (the “SFA”). This follows the migration of the provisions in the Companies Act which relate to the Central Depository System to the SFA pursuant to the Amendment Act;
 - (iii) a new provision stating that the expressions “current address”, “electronic communication” and “relevant intermediary” shall have the meanings ascribed to them respectively in the Companies Act. This follows the introduction of new provisions facilitating electronic communication and the multiple proxies regime pursuant to the Amendment Act;
 - (iv) a revised provision in relation to the expression “in writing” to make it clear that this expression includes any representation or reproduction of words, symbols or other information which may be displayed in a visible form, whether physical or electronic. This would facilitate, for example, a proxy instrument being in either physical or electronic form;
 - (v) a new provision stating that any reference in the New Constitution to a statutory provision shall include such provision and any subsidiary legislation made in pursuance thereof as from time to time modified or re-enacted and any past statutory provision or subsidiary legislation (as from time to time modified or re-enacted) which such provision or subsidiary legislation has directly or indirectly replaced; and
 - (vi) a new provision stating that a special resolution shall be effective for any purpose for which an ordinary resolution is expressed to be required under the New Constitution.

- (b) **New Article 8(2).** Article 8(2) is a new provision which provides that new shares may be issued for no consideration. This is in line with new section 68 of the Companies Act, which clarifies that a company having a share capital may issue shares for which no consideration is payable to the issuing company.
- (c) **Article 16 (Article 9 of Existing Constitution).** Article 16, which relates to the Company's power to charge interest on capital where shares are issued to defray expenses on (*inter alia*) construction works, additionally clarifies that the Company may pay interest on the paid-up share capital, except treasury shares, and may charge the same to capital as part of the cost of the construction works. This is in line with section 78 of the Companies Act.
- (d) **Article 20 (Article 13 of Existing Constitution).** The requirement to disclose the amount paid on the shares in the share certificate relating to those shares has been removed in Article 20, which relates to share certificates. A share certificate need only state (*inter alia*) the number and class of the shares, whether the shares are fully or partly paid up, and the amount (if any) unpaid on the shares. This follows the amendments to section 123(2) of the Companies Act pursuant to the Amendment Act. Article 20 also additionally clarifies that no certificate shall be issued representing shares of more than one class.
- (e) **Article 58 (Article 50 of Existing Constitution).** Article 58, which relates to the Company's power to alter its share capital, has new provisions which:
 - (i) empower the Company, by ordinary resolution, to convert its share capital or any class of shares from one currency to another currency. This is in line with new section 73 of the Companies Act, which sets out the procedure for such redenominations; and
 - (ii) empower the Company, by special resolution, to convert one class of shares into another class of shares. This is in line with new section 74A of the Companies Act, which sets out the procedure for such conversions.
- (f) **Article 65 (Article 57 of Existing Constitution).** Article 65, which relates to the special business transacted at an annual general meeting, provides that special business includes all business that is transacted at an annual general meeting, with the exception of the routine business items listed therein. These items of routine business have been revised to substitute the reference to "accounts" with "financial statements", and the reference to "the report of the Directors" with "Directors' statement", for consistency with the updated terminology in the Companies Act.
- (g) **Article 72(2) (Article 63 of Existing Constitution).** Article 72(2), which relates to the method of voting at a general meeting where mandatory polling is not required, has been revised to reduce the threshold for eligibility to demand a poll from 10% to 5% of the total voting rights of the members having the right to vote at the meeting, or of the total sum paid up on all the shares conferring that right. This is in line with section 178 of the Companies Act, as amended pursuant to the Amendment Act.

- (h) **Articles 64(4), 75, 78(1), 80(1), 81(1) and 81(3) (Articles 56(4), 66, 69(1), 71(1), 72(1) and 72(2) of Existing Constitution).** These Articles, which relate to the voting rights of Shareholders and the appointment and deposit of proxies, have new provisions which cater to the multiple proxies regime introduced by the Amendment Act. The multiple proxies regime allows “relevant intermediaries”, such as banks, capital markets services licence holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at general meetings. In particular:
- (i) Article 80(1) provides that save as otherwise provided in the Companies Act, a Shareholder who is a “relevant intermediary” may appoint more than two proxies to attend, speak and vote at the same general meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Shareholder, and where such Shareholder’s form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in the form of proxy. The reference to a maximum limit of two proxies has also been removed in Article 64(4). This is in line with new section 181(1C) of the Companies Act;
 - (ii) Article 81(3)(a) provides that the Company will be entitled and bound to reject an instrument of proxy lodged by a Depositor if he is not shown to have shares credited to his securities account as at 72 (previously 48) hours prior to the time of the relevant general meeting. Consequential changes have also been made in Articles 78(1) and 81(3)(b) to make it clear that the number of votes which a Depositor or his proxy can cast on a poll is the number of shares entered against his name in the Depository Register/credited to his securities account as at 72 (previously 48) hours prior to the time of the relevant general meeting. This is in line with new section 81SJ(4) of the SFA;
 - (iii) Article 75 provides that in the case of a Shareholder who is a “relevant intermediary” and who is represented at a general meeting by two or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with new section 181(1D) of the Companies Act; and
 - (iv) the cut-off time for the deposit of proxies has been extended from 48 to 72 hours before the time appointed for holding the general meeting and, in the case of a poll taken otherwise than at or on the same day as the general meeting, from 24 to 72 hours before the time appointed for the taking of the poll, in Article 81(1). This is in line with section 178(1)(c) of the Companies Act, as amended pursuant to the Amendment Act.
- (i) **Article 89 (Article 80 of Existing Constitution).** Article 89, which relates to the declaration of interests in contracts or transactions with the Company and conflicts of interests, has been extended to the Chief Executive Officer, and additionally provides that every Director and Chief Executive Officer may make such declaration by sending a written notice to the Company setting out the

details, the fact, and the nature, character and extent of the interest or conflict, as applicable. This is in line with section 156 of the Companies Act, as amended pursuant to the Amendment Act.

- (j) **Article 94(1) (Article 85(1) of Existing Constitution).** Article 94(1), which relates to the filling of the office vacated by a retiring Director in default circumstances except in certain cases, has been revised to remove the event of a Director attaining any applicable retiring age as an exception to a deemed re-election to office. This follows the repeal of section 153 of the Companies Act and removal of the 70-year age limit for directors of public companies and subsidiaries of public companies.
- (k) **Article 100(1) (Article 92(1) of Existing Constitution).** Article 100(1), which relates to the general powers of the Directors to manage the Company's business, clarifies that the business and affairs of the Company are to be managed by or, additionally, under the direction or supervision of, the Directors. This is in line with section 157A of the Companies Act, as amended pursuant to the Amendment Act.
- (l) **Articles 10(4)(f)(i), 125, 127 and 128 (Articles 4A(4)(f)(i), 119A, 121 and 122 of Existing Constitution).** Article 128, which relates to the sending of the Company's financial statements and related documents to Shareholders, additionally provides that such documents may, subject to the listing rules of the SGX-ST, be sent less than 14 days before the date of the general meeting with the agreement of all persons entitled to receive notices of general meetings. This is in line with new section 203(2) of the Companies Act, which provides that the requisite financial statements and other related documents may be sent less than 14 days before the date of the general meeting at which they are to be laid if all the persons entitled to receive notice of general meetings of the company so agree. Notwithstanding this proviso, the Company is currently required to comply with Rule 707(2) of the Listing Manual, which provides that an issuer must issue its annual report to shareholders and the SGX-ST at least 14 days before the date of its annual general meeting. The requirement for these documents to be delivered by post has been removed in Article 128 in order to accommodate electronic communications. The requirement to send these documents to debenture holders has also been removed.

The references to the Company's "accounts", "profit and loss account(s)" and Directors' "reports" have also been updated/substituted in Articles 10(4)(f)(i), 125, 127 and 128 with references, or additional references, to "financial statements" and Directors' "statements", as appropriate, for consistency with the updated terminology in the Companies Act.

- (m) **Article 145 (Article 135A of Existing Constitution).** Article 145, which relates to the service of notices to Shareholders using electronic communications, has new provisions to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to new section 387C of the Companies Act.

Under new section 387C, notices and documents may be given, sent or served using electronic communications with the express, implied or deemed consent of the member in accordance with the constitution of the company.

There is express consent if a shareholder expressly agrees with the company that notices and documents may be given, sent or served on him using electronic communications. There is deemed consent if the constitution (a) provides for the use of electronic communications and specifies the mode of electronic communications, and (b) specifies that shareholders will be given an opportunity to elect, within a specified period of time, whether to receive electronic or physical copies of such notices and documents, and the shareholder fails to make an election within the specified period of time. There is implied consent if the constitution (a) provides for the use of electronic communications and specifies the mode of electronic communications, and (b) specifies that shareholders agree to receive such notices or documents by way of electronic communications and do not have a right to elect to receive physical copies of such notices and documents. Certain safeguards for the use of the deemed consent and implied consent regimes are prescribed under new regulation 89C of the Companies Regulations.

New section 387C was introduced to give effect to recommendations by the Steering Committee for Review of the Companies Act to ease the rules for the use of electronic transmission and to make them less prescriptive, and these recommendations were accepted by the Ministry of Finance (“**MOF**”). In accepting these recommendations, the MOF noted the concerns of some shareholders who would prefer to have an option to receive physical copies of the notices and documents, notwithstanding that the company adopts the implied consent regime, and indicated that such shareholders could highlight their concerns when a company proposes amendments to its constitution to move to an implied consent regime.

Shareholders who are supportive of the new deemed consent and implied consent regimes for electronic communications may vote in favour of the adoption of the New Constitution, which incorporates new provisions (contained in Article 145) to facilitate these regimes, while Shareholders who are not supportive of the new regimes may vote against it.

In particular:

- (i) Article 145(1) provides that notices and documents may be sent to Shareholders using electronic communications either to a Shareholder’s current address (which may be an email address) or by making it available on a website;
- (ii) Article 145(2) provides that for these purposes, a Shareholder is deemed to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document (this is the implied consent regime permitted under new section 387C); and

- (iii) Article 145(3) provides that notwithstanding sub-paragraph (ii) above, the Directors may decide to give Shareholders an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time (this is the deemed consent regime permitted under new section 387C).

Article 145(4) additionally provides for when service is effected in the case of notices or documents sent by electronic communications. In particular, where a notice or document is made available on a website, it is deemed served on the date on which the notice or document is first made available on the website, unless otherwise provided under the Companies Act and/or other applicable regulations or procedures. Further, under Article 145(5), in the case of service on a website, the Company must give separate notice of the publication of the notice or document on that website and the manner in which the notice or document may be accessed by (1) sending such separate notice to Shareholders personally or by post, and/or (2) sending such separate notice to Shareholders' current addresses (which may be email addresses), and/or (3) by way of advertisement in the daily press, and/or (4) by way of announcement on the SGX-ST.

Under new regulation 89D of the Companies Regulations, notices or documents relating to take-over offers and rights issues are excluded from the application of section 387C and therefore cannot be transmitted by electronic means pursuant to section 387C.

As at the Latest Practicable Date, the outcome of a public consultation by the SGX-ST on (*inter alia*) whether listed issuers should be allowed to send notices and documents to shareholders electronically under the new regimes permitted under the Companies Act is not known yet. In its consultation, the SGX-ST had also asked for comments on additional safeguards in relation to the new regimes. There is no certainty that the listing rules will be amended to allow electronic transmission of notices and documents under the new regimes. Going forward, for so long as the Company is listed on the SGX-ST, the Company will not make use of the new regimes to transmit notices or documents electronically to Shareholders unless the SGX-ST's listing rules allow it, and the Company will comply with the SGX-ST's listing rules on the subject.

- (n) **Article 151 (Article 141 of Existing Constitution).** Article 151, which relates to Directors' indemnification, has been expanded to permit the Company, subject to the provisions of and so far as may be permitted by the Companies Act, to indemnify a Director against losses "to be incurred" by him in the execution of his duties. This is in line with new sections 163A and 163B of the Companies Act, which permit a company to lend, on specified terms, funds to a director for meeting expenditure incurred "or to be incurred" by him in defending court proceedings or regulatory investigations.

4.3.2 **Objects clauses**

The existing objects clauses contained in the Existing Constitution are proposed to be deleted and substituted with a general provision in the New Constitution (see new Article 4) to the effect that, subject to the provisions of the Companies Act or any other written law and its constitution, the Company has:

- (a) full capacity to carry on or undertake any business or activity, do any act or enter into any transaction; and
- (b) for these purposes, full rights, powers and privileges.

This is in line with section 23 of the Companies Act, which provides that a company has full capacity to carry on or undertake any business or activity, do any act or enter into any transactions, subject to the law and to the provisions of its constitution.

By deleting the existing objects clauses (which sets out an extensive list of the activities which the Company has capacity or power to engage in) and taking advantage of the flexibility afforded by section 23, the Company will have all the powers of a natural person, with full capacity and ability to carry on or undertake any business or activity, and to enter into any transaction. This will facilitate the Company in adapting to the rapidly changing business environment, and to undertake various business activities and enter into business transactions for the benefit of the Company and its Shareholders. The proposed change will also remove any uncertainty as to whether the Company has the power to act in a particular way or to engage in a particular transaction arising from unduly restrictive provisions in the specific objects clauses.

Notwithstanding the deletion of the existing objects clauses, the Company will still be required to comply with the Companies Act and the Listing Manual in carrying on its business and undertaking business activities. For example, if required by Chapter 10 of the Listing Manual, the Company will have to obtain Shareholders' approval to enter into a transaction for the acquisition or disposal of assets. Also, if required by Rule 104 of the Listing Manual, a change in the principal business of the Company will be subject to the SGX-ST's approval if in the SGX-ST's opinion, the integrity of the market may be adversely affected, or it is in the interests of the public to do so.

4.3.3 **Listing Manual**

Rule 730(2) of the Listing Manual provides that if an issuer amends its articles or other constituent documents, they must be made consistent with all the listing rules prevailing at the time of amendment.

The following Articles have been updated to ensure consistency with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date, in compliance with Rule 730(2) of the Listing Manual:

- (a) **New Article 8(1).** Article 8(1) is a new provision which provides that the rights attaching to shares of a class other than ordinary shares must be expressed in the constitution. This is in line with paragraph 1(b) of Appendix 2.2 of the Listing Manual.
- (b) **Article 9 (Article 4(b) of Existing Constitution).** The proviso in Article 4(b) of the Existing Constitution (which relates to the issue of shares) that “*no shares shall be issued to transfer a controlling interest in the Company without the prior approval of the Company in general meeting*” has been removed in the equivalent Article 9 of the New Constitution for consistency with Appendix 2.2 of the Listing Manual, as it is no longer a requirement under Appendix 2.2 of the Listing Manual for this provision to be contained in the constituent documents of an issuer. The removal of this proviso will not, however, eliminate the Company’s compliance obligations with Rule 803 of the Listing Manual, which provides that an issuer must not issue securities to transfer a controlling interest without prior approval of shareholders in general meeting.
- (c) **Article 13 (Article 6 of Existing Constitution).** Article 13, which relates to the variation of rights attached to shares, additionally provides that preference capital other than redeemable preference capital may be repaid pursuant to a special resolution of the preference shareholders concerned, provided always that where the necessary majority for such a special resolution is not obtained at the meeting, consent in writing if obtained from the holders of three-fourths of the preference shares concerned within two months of the meeting, shall be as valid and effectual as a special resolution carried at the meeting. This is in line with paragraph (5) of Appendix 2.2 of the Listing Manual.
- (d) **Article 19(1) (Article 12(1) of Existing Constitution).** Article 19, which relates to a member’s entitlement to receive a certificate for his shares, additionally makes clear that such certificate must be despatched within ten market days of the closing date for applications for shares. This is in line with Rule 731 of the Listing Manual.
- (e) **Article 37 (Article 30 of Existing Constitution).** Article 37, which relates to the Directors’ right to decline to register transfers of shares, additionally provides that save as provided in the New Constitution, there shall be no restriction on the transfer of fully paid-up shares (except where required by law or the listing rules of, or bye-laws and rules governing, the SGX-ST). This is in line with paragraph (4)(c) of Appendix 2.2 of the Listing Manual.

- (f) **Article 39(6) (Article 32(f) of Existing Constitution).** Article 39(6), which relates to the requirement for Directors to provide reasons for refusing to register transfers of shares, provides that where the Directors refuse to register the transfer of any share, they shall serve a notice of refusal to the relevant parties and state the reasons justifying the refusal, within ten market days (previously within one month) of the date on which the application for transfer was made. This is in line with Rule 733 of the Listing Manual.
- (g) **Article 59(1) (Article 51(1) of Existing Constitution).** Article 59(1), which relates to the offer of new shares to members, makes it clear that, except as permitted by the listing rules of the SGX-ST, such shares shall, before issue, be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of general meetings, in proportion to their existing shareholdings. This is in line with paragraph (1)(f) of Appendix 2.2 of the Listing Manual.
- (h) **Articles 72, 73 and 74 (Articles 63, 64 and 65 of Existing Constitution).** Article 72, which relates to the method of voting at general meetings, has new provisions to make it clear that, if required by the listing rules of the SGX-ST, all resolutions at general meetings shall be voted by poll (unless such requirement is waived by the SGX-ST). Consequential changes have been made to Articles 73 and 74. Article 73 additionally provides that, if required by the listing rules of the SGX-ST, scrutineers will be appointed. These changes are in line with Rule 730A of the Listing Manual.
- (i) **Articles 94(1) and 99 (Articles 85(1) and 91 of Existing Constitution).** Article 99, which relates to the vacation of office of a Director in certain events, additionally provides that the office of a Director shall become vacant if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. Consequential changes have been made to Article 94(1), which relates to the filling of the office vacated by a retiring Director in certain default events, to provide that a retiring Director is deemed to be re-elected in certain default circumstances except, additionally, where he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds. These changes are in line with paragraph (9)(n) of Appendix 2.2 of the Listing Manual.
- (j) **Article 109 (Article 102 of Existing Constitution).** Article 109, which relates to the proceedings of Directors in case of vacancies in their body, has additional provisions to make it clear that where the number of Directors is reduced to below the minimum number, the continuing Director(s) may act only for the purpose of filling up such vacancies or of summoning general meetings, except in an emergency. This additional clarification is in line with paragraph (9)(k) of Appendix 2.2 of the Listing Manual. Article 109 additionally provides that if there are no Directors able or willing to act, then any two members may summon a general meeting for the purpose of appointing Directors.

4.3.4 **PDPA**

In general, under the Personal Data Protection Act 2012, an organisation can only collect, use or disclose the personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has made known to the individual. New Article 153 specifies, *inter alia*, the purposes for which the Company and/or its agents and service providers would collect, use and disclose personal data of Shareholders and their appointed proxies or representatives.

4.3.5 **General**

The Prescribed Limit will be preserved in the New Constitution, save that treasury shares will be excluded when calculating 5% of the issued Shares. Article 49 additionally provides that the Directors may, if necessary, authorise some person to transfer or effect the transfer of a forfeited or surrendered share, and Article 50 additionally provides that the Directors may enforce payment of all moneys which were payable at the date of forfeiture or surrender, without any allowance for the value of the shares at the time of forfeiture or surrender, or waive payment in whole or in part. This will provide the Company with the flexibility, if the need to do so should arise, to apply for an extension of the 15-month period between annual general meetings in accordance with the provisions of the Companies Act, notwithstanding that the period may extend beyond the calendar year.
- (k) **Article 68 (Article 60 of Existing Constitution).** Article 68, which relates to the adjournment of a general meeting if a quorum is not present, has been revised to make it clear that this can occur if a quorum is not present within half an hour from the time appointed for the meeting, or such longer interval as the Chairman of the meeting may think fit to allow, and further that it shall stand adjourned to the same day in the next week or, if that day is a public holiday, then to the next business day following that public holiday. In particular, they provide that a Shareholder can elect to signify his approval for the appointment of a proxy via electronic communication, through such method and in such manner as may be approved by the Directors, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate Shareholder's common seal.

For the purpose of accommodating the deposit by Shareholders, and receipt by the Company, of electronic proxy instructions by Shareholders who elect to use the electronic appointment process, Articles 81(1) and 81(2), which relate to the deposit of proxies, have new provisions which authorise the Directors to prescribe and determine the manner of receipt by the Company of the instrument appointing a proxy through digital means.

- (p) **New Articles 89(7), 89(8) and 89(9).** These are new provisions to clarify that the Directors may appoint one or more of their body to be the holder of any executive office including, where considered appropriate, the office of Chairman or Deputy Chairman, and may entrust to and confer upon any Directors holding any executive office any of the powers exercisable by them as Directors. The appointment of any Director to the office of Chairman or Deputy Chairman will automatically determine if he ceases to be a Director but without prejudice to any claim for damages for breach of contract.
- (q) **Article 91 (Article 82 of Existing Constitution).** Article 91, which relates to the retirement of Directors by rotation, clarifies that the Directors who are to retire by rotation are to be selected in accordance with Article 93 and are in addition to any Director retiring pursuant to Article 97.

- (r) **Article 96 (Article 88 of Existing Constitution).** Article 96, which relates to the Company's power to increase or reduce the number of Directors, clarifies that this may be effected by the appointment of any person approved in writing by the Special Member (as defined in Article 1) to be a Director as an addition to the existing Directors or by removing any Director under Article 98.
- (s) **Article 106 (Article 99 of Existing Constitution).** Article 106, which relates to meetings of Directors, contains additional provisions regulating the proceedings at Directors' meetings which are held by way of conference telephone or similar communications equipment. In particular, it clarifies that a Director may participate at a Directors' meeting through such means without the need for a Director to be in the physical presence of another Director or Directors, and that such participation in a Directors' meeting shall constitute presence in person at such meeting. Article 106 additionally provides that notices of Directors' meetings need not be given to any Director who is absent from Singapore, and that any Director may waive notice of any meeting and any such waiver may be retroactive.
- (t) **Article 111 (Article 104 of Existing Constitution).** Article 111, which relates to the Directors' power to appoint committees, contains additional provisions to permit the Directors to co-opt other persons (who are not Directors) to such committees, and for such co-opted persons to have voting rights as members of such committees.
- (u) **Article 116 (Article 110 of Existing Constitution).** Article 116, which relates to the appointment of alternate Directors, contains additional provisions regulating such appointments. In particular, it clarifies that an alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the extent applicable as if he were a Director.
- (v) **Article 114 of Existing Constitution.** Article 114 of the Existing Constitution, which relates to Associate Directors, has been removed in the New Constitution as it is not required.
- (w) **New Article 135(2).** Article 135(2) is a new provision which provides that the Directors may retain dividends pending the transmission of the underlying shares.
- (x) **New Article 136.** Article 136 is a new provision which provides that the waiver of any dividend by any document is effective only if the document is signed by the Shareholder (or person entitled in consequence of death or bankruptcy) and delivered to the Company and if or to the extent that it is accepted as such or acted upon by the Company.
- (y) **Article 143 (Article 134A of Existing Constitution).** Article 143, which relates to the Directors' power to issue free shares and/or to capitalise reserves for share-based incentive plans, has been expanded to empower the Directors to do the same for the benefit of non-executive Directors as part of their Directors'

remuneration. This will enable the Company, if it so desires, to remunerate its non-executive Directors by way of Directors' fees in the form of shares, or in a combination of cash and shares, using these methods.

(z) **New Article 150.** Article 150 is a new provision which provides that, in the event of a winding up of the Company, every member who is not in Singapore must appoint some householder in Singapore upon whom notices etc. in relation to the winding up may be served and in default, the liquidator may appoint some such person.

(aa) **New Article 152.** Article 152 is a new provision which relates to the secrecy of certain types of information. It provides that no member is entitled to require discovery of any information respecting any detail of the Company's trade or any matter which may be in the nature of a trade secret, mystery of trade or secret process which may relate to the conduct of the business of the Company, save as may be authorised by law or required by the listing rules of the SGX-ST.

APPENDIX 1

THE IPT MANDATE

1. Chapter 9 of the Listing Manual

- 1.1 Chapter 9 of the listing manual (the “**Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.
- 1.2 Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested persons and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders’ approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company’s latest audited consolidated net tangible assets (“**NTA**”)) are reached or exceeded. In particular, shareholders’ approval is required for an interested person transaction of a value equal to, or which exceeds:
- (a) 5% of the listed company’s latest audited consolidated NTA; or
 - (b) 5% of the listed company’s latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.
- 1.3 Based on the latest audited consolidated financial statements of Singapore Airlines Limited (“**SIA**” or the “**Company**”) and its subsidiaries (the “**SIA Group**”) for the financial year ended 31 March 2016, the consolidated NTA of the SIA Group was S\$12,238.9 million. In relation to SIA, for the purposes of Chapter 9 of the Listing Manual, in the current financial year and until such time as the consolidated audited financial statements of the SIA Group for the financial year ending 31 March 2017 are published, 5% of the latest audited consolidated NTA of the SIA Group would be S\$611.9 million.
- 1.4 Chapter 9 of the Listing Manual permits a listed company, however, to seek a mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company’s interested persons.
- 1.5 Under the Listing Manual:
- (a) an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;

- (b) (in the case of a company) an “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder includes an immediate family member (that is, the spouse, child, adopted child, step-child, sibling or parent) of such director, chief executive officer or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family has an aggregate interest (directly or indirectly) of 30% or more, and, where a controlling shareholder is a corporation, its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30% or more;
- (c) an “**entity at risk**” means:
 - (i) the listed company;
 - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “**listed group**”), or the listed group and its interested person(s), has control over the associated company;
- (d) (in the case of a company) an “**interested person**” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder; and
- (e) an “**interested person transaction**” means a transaction between an entity at risk and an interested person.

2. Rationale for the IPT Mandate

- 2.1 It is anticipated that the SIA EAR Group (as defined below) would, in the ordinary course of its business, enter into certain transactions with its Interested Persons (as defined below). It is likely that such transactions will occur with some degree of frequency and could arise at any time. Such transactions are described in paragraph 5 below.
- 2.2 Owing to the time-sensitive nature of commercial transactions, the obtaining of the mandate (the “**IPT Mandate**”) pursuant to Chapter 9 of the Listing Manual will enable:
 - (a) SIA;
 - (b) subsidiaries of SIA (excluding other subsidiaries listed on the SGX-ST or an approved exchange); and

- (c) associated companies of SIA (other than an associated company that is listed on the SGX-ST or an approved exchange) over which the SIA Group, or the SIA Group and interested person(s) of SIA has or have control,

(together, the “**SIA EAR Group**”), or any of them, in the ordinary course of their businesses, to enter into the categories of transactions (“**Interested Person Transactions**”) set out in paragraph 5 below with the specified classes of SIA’s interested persons (the “**Interested Persons**”) set out in paragraph 4.1 below, provided such transactions are made at arm’s length and on the SIA EAR Group’s normal commercial terms.

- 2.3 The IPT Mandate will take effect from the date of the passing of the Ordinary Resolution relating thereto to be proposed at the Annual General Meeting (“**AGM**”) to be held on 29 July 2016 until the next AGM of the Company and shall apply in respect of the Interested Person Transactions to be entered into from and including 29 July 2016 to the next AGM of the Company. Thereafter, approval from shareholders of the Company (“**Shareholders**”) for a renewal of the IPT Mandate will be sought at each subsequent AGM of the Company.

3. Scope of the IPT Mandate

- 3.1 The SIA EAR Group engages in a range of activities, principally those relating to the business of the carriage of passengers, baggage and freight. For such purposes, the SIA EAR Group also engages in the business of travel agents, building management as well as the lease, hire, charter, repair, purchase and sale of aeroplanes, engines and aviation equipment.
- 3.2 The IPT Mandate will not cover any transaction by a company in the SIA EAR Group with an Interested Person that is below S\$100,000 in value as the threshold and aggregation requirements of Chapter 9 of the Listing Manual would not apply to such transactions.

4. Classes of Interested Persons

- 4.1 The IPT Mandate will apply to the Interested Person Transactions (as described in paragraph 5 below) which are carried out with Temasek Holdings (Private) Limited (“**Temasek**”) and its associates (the “**Temasek Group**”).
- 4.2 Transactions with Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

5. Interested Person Transactions

The Interested Person Transactions relate to the provision to, or the obtaining from, Interested Persons of products and services in the normal course of the business of the SIA EAR Group or which are necessary for the day-to-day operations of the SIA EAR Group or which are of a revenue or trading nature (but not in respect of the purchase or sale of assets, undertakings or businesses) comprising:

- (a) the sale and purchase of aircraft, aircraft engines, aircraft spares, parts and components, electronic and electrical and engineering equipment;
- (b) the charter and/or lease of aircraft, aircraft engines, equipment, parts and components;

- (c) the repair, modification, maintenance servicing, overhaul and other engineering and technical services relating to aircraft, aircraft engines, equipment, parts and components;
- (d) the obtaining and/or provision of security services, freight services, ground handling services, lounge and inflight catering services, laundry and linen services;
- (e) the obtaining and/or lease of computer equipment and the obtaining, provision, licensing and/or development of computer maintenance services and systems, computer software programmes, ticketing and reservation systems, cargo community systems, material handling systems and other related services;
- (f) the sale and/or purchase of tickets, tours, airway bills and other instruments for the carriage of passengers, baggage and freight;
- (g) the rental of space, both as lessor and lessee, and the provision of building maintenance services, and the lease and development of property for investment purposes;
- (h) the obtaining and/or provision of management, support and other related services;
- (i) the obtaining of insurances and the underwriting of risks;
- (j) the obtaining or purchase of utilities and fuel; and
- (k) any other transaction relating to the provision, or obtaining from Interested Persons, of products and services related to the SIA EAR Group's principal and ancillary activities as stated in paragraph 3.1 above in the normal course of their businesses and on normal commercial terms.

6. Review Procedures for Mandated Interested Person Transactions

6.1 The SIA EAR Group has established the following procedures to ensure that mandated Interested Person Transactions are undertaken on an arm's length basis and on the SIA EAR Group's normal commercial terms:

(a) Review Procedures

There are procedures established by the SIA EAR Group to ensure that mandated Interested Person Transactions are undertaken on an arm's length basis and on the SIA EAR Group's normal commercial terms, consistent with the SIA EAR Group's usual business practices and policies, which are generally no more favourable to the Interested Persons than those extended to unrelated third parties.

In particular, the following review procedures have been put in place:

(i) *Provision of Services or the Sale of Products*

The review procedures are:

- (1) all contracts entered into or transactions with Interested Persons are to be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms; and
- (2) where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the SIA EAR Group's pricing for such services to be provided or products to be sold to Interested Persons is determined in accordance with the SIA EAR Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by the SIA EAR Group for the same or substantially similar type of contract or transaction with unrelated third parties taking into consideration factors such as, but not limited to, quantity, volume, consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction; and

(ii) *Obtaining of Services or the Purchasing of Products*

All purchases made by the SIA EAR Group, including purchases from Interested Persons are governed by internal control procedures which detail matters such as the constitution of internal approving authorities, their monetary jurisdictions, the number of vendors from whom bids are to be obtained and the review procedures. The guiding principle is to objectively obtain the best goods and/or services on the best terms. Most invitations for bids include a specimen contract to preclude negotiations on the terms of supply after the successful vendor is selected. The terms of supply are contained in a written contract. The review procedures require:

- (1) an open tender for bids to be called if there are 6 or more known vendors for the item unless this requirement is waived by the tenders committee in exceptional circumstances, in which case a closed tender will be called. If there are less than 6 known vendors, a closed tender for bids will be called inviting all the known vendors to bid. Bids which are received, regardless of whether they are from Interested Persons or not will be subject to the same evaluation criteria based on price, product quality, delivery schedules, specification compliance, track record, experience and expertise. Preferential rates, rebates or discounts accorded for bulk purchases are also taken into account; and

- (2) where it is not possible or practicable for a tender to be called (for example, where the product is a proprietary item or where the product is required urgently such as an aircraft-on-ground situation), an authorised senior management staff of the relevant company in the SIA EAR Group who does not have an interest in the transaction will determine whether the price and terms offered by the Interested Person are fair and reasonable.

(b) Threshold Limits

In addition to the review procedures, the following approval procedures will be implemented to supplement existing internal control procedures for Interested Person Transactions:

- (i) Interested Person Transactions equal to or exceeding S\$100,000 but less than S\$1 million in value will be reviewed and approved by a Senior Vice President designated for such purpose by the Chief Executive Officer (“**CEO**”);
- (ii) Interested Person Transactions equal to or exceeding S\$1 million but less than S\$3 million in value will be reviewed and approved by an Executive Vice President designated for such purpose by the CEO;
- (iii) Interested Person Transactions equal to or exceeding S\$3 million but less than S\$30 million in value will be reviewed and approved by the CEO;
- (iv) Interested Person Transactions equal to or exceeding S\$30 million in value shall be reviewed and approved by the Directors and the audit committee of the Company (the “**Audit Committee**”);
- (v) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$100,000 but below S\$1 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$1 million in value will be reviewed and approved by the Senior Vice President designated for such purpose by the CEO;
- (vi) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$1 million but below S\$3 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$3 million in value will be reviewed and approved by the Executive Vice President designated for such purpose by the CEO;
- (vii) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$3 million but below S\$30 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$30 million in value will be reviewed and approved by the CEO; and

(viii) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$30 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 in value will be reviewed and approved by the Directors and the Audit Committee.

If any person specified above has an interest in a transaction falling within a category of transactions to be reviewed and approved by him, he will abstain from any decision making in respect of that transaction, and such transaction will be reviewed and approved by other persons who are authorised to review and approve that category of transactions, if any, who do not have any interest in that transaction.

If not, the transaction must be approved by the person(s) who has (have) authority for reviewing and approving the immediately following category of transactions in terms of value.

All Interested Person Transactions entered into pursuant to the IPT Mandate shall be tabled to the Audit Committee for information on a quarterly basis.

Individual transactions of a value less than S\$100,000 do not require review and approval and will not be taken into account in the aggregation referred to in sub-paragraphs (v) to (viii) above.

- 6.2 A register will be maintained by SIA to record all Interested Person Transactions which are entered into pursuant to the IPT Mandate. The annual internal audit plan will incorporate a review of all Interested Person Transactions entered into pursuant to the IPT Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions adhered to.
- 6.3 The SIA Board of Directors (the “**Board**”) and the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor Interested Person Transactions have been complied with.
- 6.4 The Board and the Audit Committee shall have overall responsibility for the determination of the review procedures with the authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Board or the Audit Committee has an interest in the transaction to be reviewed by the Board or the Audit Committee, as the case may be, he will abstain from any decision making by the Board or the Audit Committee in respect of that transaction.

7. Benefit to Shareholders

- 7.1 The renewal of the IPT Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek Shareholders’ approval as and when potential Interested Person Transactions with a specific class of Interested Persons arise, thereby reducing substantially administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the SIA EAR Group.

- 7.2 The IPT Mandate is intended to facilitate transactions in the normal course of business of the SIA EAR Group which are transacted from time to time with the specified classes of Interested Persons, provided that they are carried out at arm's length and on the SIA EAR Group's normal commercial terms and are not prejudicial to Shareholders.
- 7.3 SIA will announce the aggregate value of transactions conducted with Interested Persons pursuant to the IPT Mandate for the quarterly financial periods which SIA is required to report on pursuant to the Listing Manual and within the time required for the announcement of such report.
- 7.4 Disclosure will also be made in the annual report of SIA of the aggregate value of Interested Person Transactions conducted pursuant to the IPT Mandate during the current financial year, and in the annual reports for the subsequent financial years during which an IPT Mandate is in force, in accordance with the requirements of Chapter 9 of the Listing Manual.

8. Audit Committee's Statements

- 8.1 The Audit Committee (currently comprising Gautam Banerjee, William Fung Kwok Lun and Hsieh Tsun-yan) has reviewed the terms of the IPT Mandate, as proposed to be renewed, and is satisfied that the methods and procedures for determining the transaction prices as set out in the IPT Mandate are sufficient to ensure that Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- 8.2 The Audit Committee will, in conjunction with its review of the internal audit reports and relevant Interested Person Transactions, as the case may be, also review the established methods and procedures to ascertain that they have been complied with. Further, if during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the methods and procedures as stated above are not sufficient to ensure that these Interested Person Transactions will be on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders, SIA will revert to Shareholders for a fresh mandate based on new methods and procedures for transactions with Interested Persons.
