☐ FIRST-TIME NOMINATION

This is my first nomination and I understand there is no fee involved.

☐ CHANGES TO CURRENT NOMINEES

I would like to make changes to my list of nominees and agree to the conditions stated below:

A member can nominate up to a maximum of five nominees at any one time to be in their Redemption Group. A child or infant nominee is treated like an adult. A corporation or other legal entity cannot be a Redemption Group Nominee.

Members can change nominee authorisation status or make deletions in their Redemption Group for a nominal fee, regardless of the number of changes or deletions. Once a status change or deletion has been carried out, further changes or deletions can only be carried out after six months. There is no fee for adding names to a Redemption Group (as an addition of names is not considered a change).†

The nominees you have authorised to make redemption bookings for themselves and on your behalf must produce proof of identification. If they have been so authorised, Singapore Airlines will not inform the principal member nor be held liable for issuing redemption tickets for the authorised nominees.

†*Please note that different fees apply if members opt to make changes to their Redemption Group online. For a complete list of the applicable fees, please visit* ***krisflyer.com***
