Singapore Airlines Limited

27 June 2022

Dear Sir/Madam

1. INTRODUCTION

1.1 Notice of AGM. We refer to:

- (a) the Notice of Annual General Meeting of Singapore Airlines Limited (the “**Company**”) dated 27 June 2022 (the “**Notice**”), convening the Fiftieth Annual General Meeting of the Company to be held on 26 July 2022 (the “**2022 AGM**”);
- (b) Ordinary Resolution No. 8 relating to the proposed renewal of the IPT Mandate (as defined in paragraph 2.1 below, as proposed in the Notice); and
- (c) Ordinary Resolution No. 9 relating to the proposed renewal of the Share Buy Back Mandate (as defined in paragraph 3.1 below, as proposed in the Notice).

1.2 **Letter to Shareholders.** The purpose of this Letter is to provide shareholders of the Company (“**Shareholders**”) with information relating to Ordinary Resolution Nos. 8 and 9, as proposed in the Notice (collectively, the “**Proposals**”).

1.3 **SGX-ST.** The Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Letter.

1.4 **Legal Adviser.** Allen & Gledhill LLP is the legal adviser to the Company in relation to the proposed renewal of the Share Buy Back Mandate.

- 1.5 **Advice to Shareholders.** If a Shareholder is in any doubt as to the course of action he should take, he should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

2. THE PROPOSED RENEWAL OF THE MANDATE FOR INTERESTED PERSON TRANSACTIONS

- 2.1 **Background.** At the Annual General Meeting of the Company held on 29 July 2021 (the “**2021 AGM**”), Shareholders approved, *inter alia*, the renewal of a mandate (the “**IPT Mandate**”) to enable the Company, its subsidiaries and associated companies which are considered to be “entities at risk” (as that term is defined in Chapter 9 of the Listing Manual of the SGX-ST (the “**Listing Manual**”)) to enter into certain interested person transactions with the classes of interested persons (the “**Interested Persons**”) as set out in the IPT Mandate.

Particulars of the IPT Mandate were set out in the Appendix to the Company’s Letter to Shareholders dated 1 July 2021 (the “**2021 Letter**”) and Ordinary Resolution No. 8 as set out in the Notice of the 2021 AGM. The IPT Mandate was expressed to take effect until the conclusion of the next Annual General Meeting of the Company, being the 2022 AGM which is scheduled to be held on 26 July 2022.

- 2.2 **Renewal of the IPT Mandate.** The Directors propose that the IPT Mandate be renewed at the 2022 AGM to take effect until the Fifty-First Annual General Meeting of the Company. There is no change to the scope and terms of the IPT Mandate which is proposed to be renewed.

- 2.3 **The Appendix.** Details of the IPT Mandate, including the rationale for, and the benefits to, the Company, the review procedures for determining transaction prices with the Interested Persons and other general information relating to Chapter 9 of the Listing Manual, are set out in the Appendix to this Letter.

- 2.4 **Audit Committee Statement.** The Audit Committee of the Company, comprising Yeoh Oon Jin, Gautam Banerjee, Goh Swee Chen, Dominic Ho Chiu Fai, Hsieh Tsun-yan and Jeanette Wong Kai Yuan, confirms that:

- (a) the methods or procedures for determining the transaction prices under the IPT Mandate have not changed since the 2021 AGM; and
- (b) the methods or procedures referred to in sub-paragraph (a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

3. THE PROPOSED RENEWAL OF THE SHARE BUY BACK MANDATE

- 3.1 **Background.** At the 2021 AGM, Shareholders approved, *inter alia*, the renewal of a mandate (the “**Share Buy Back Mandate**”) to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company (“**Shares**”).

The rationale for, the authority and limitations on, and the financial effects of, the Share Buy Back Mandate were set out in the 2021 Letter and Ordinary Resolution No. 9 as set out in the Notice of the 2021 AGM.

The Share Buy Back Mandate was expressed to take effect on the date of the passing of Ordinary Resolution No. 9 at the 2021 AGM and will expire on the date of the forthcoming 2022 AGM which is scheduled to be held on 26 July 2022. Accordingly, the Directors propose that the Share Buy Back Mandate be renewed at the 2022 AGM.

As at 2 June 2022 (the “**Latest Practicable Date**”), the Company had not purchased or acquired any Shares pursuant to the Share Buy Back Mandate approved by Shareholders at the 2021 AGM.

3.2 **Authority and Limits on the Share Buy Back Mandate.** The authority and limitations placed on the purchases or acquisitions of Shares by the Company (the “**Share Buy Backs**”) pursuant to the Share Buy Back Mandate, if renewed at the 2022 AGM, are substantially the same as previously approved by Shareholders at the 2021 AGM. These are summarised below:

3.2.1 **Maximum Number of Shares**

Only Shares which are issued and fully paid may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buy Back Mandate is limited to that number of Shares representing not more than 5% of the issued Shares as at the date of the 2022 AGM at which the renewal of the Share Buy Back Mandate is approved. Treasury shares and subsidiary holdings (as defined in the Listing Manual)¹ will be disregarded for the purposes of computing the 5% limit.

As at the Latest Practicable Date, the Company had 10,048,816 treasury shares and no subsidiary holdings.

3.2.2 **Duration of Authority**

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2022 AGM at which the renewal of the Share Buy Back Mandate is approved, up to:

- (a) the date on which the next Annual General Meeting of the Company is held or required by law to be held;
- (b) the date on which the authority conferred by the Share Buy Back Mandate is revoked or varied; or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Buy Back Mandate are carried out to the full extent mandated,

whichever is the earliest.

3.2.3 **Manner of Share Buy Backs**

A Share Buy Back may be made by way of:

- (a) an on-market Share Buy Back (“**On-Market Share Buy Back**”), transacted on the SGX-ST through the SGX-ST’s trading system, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or

¹ “**Subsidiary holdings**” is defined in the Listing Manual to mean shares referred to in Sections 21(4), 21(4B), 21(6A) and 21(6C) of the Companies Act 1967.

- (b) an off-market Share Buy Back in accordance with an equal access scheme (“**Off-Market Equal Access Share Buy Back**”) effected pursuant to Section 76C of the Companies Act 1967 (the “**Companies Act**”).

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy Back Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Equal Access Share Buy Back must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Equal Access Share Buy Back, it will, pursuant to Rule 885 of the Listing Manual, issue an offer document containing at least the following information:

- (I) the terms and conditions of the offer;
- (II) the period and procedures for acceptances; and
- (III) the information required under Rules 883(2), (3), (4), (5) and (6) of the Listing Manual.

3.2.4 **Purchase Price**

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the committee constituted for the purposes of effecting Share Buy Backs. The purchase price to be paid for the Shares pursuant to Share Buy Backs (both On-Market Share Buy Backs and Off-Market Equal Access Share Buy Backs) must not exceed 105% of the Average Closing Price of the Shares (excluding related expenses of the purchase or acquisition) (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the last dealt prices of a Share for the five consecutive trading days on which the Shares are transacted on the SGX-ST immediately preceding the date of the On-Market Share Buy Back by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Equal Access Share Buy Back, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs during the relevant five-day period and the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Equal Access Share Buy Back; and

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Equal Access Share Buy Back, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Equal Access Share Buy Back.

- 3.3 **Rationale for Share Buy Back Mandate.** The renewal of the Share Buy Back Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions up to the 5% limit described in paragraph 3.2.1 above at any time, subject to market conditions, during the period when the Share Buy Back Mandate is in force.

In managing the business of the Company and its subsidiaries (the “**Group**”), management strives to increase Shareholders’ value. Share Buy Backs are one of the ways through which Shareholders’ value may be enhanced. Share Buy Backs are intended to be made as and when the Directors believe them to be of benefit to the Company and/or the Shareholders.

A share repurchase programme will also allow management to effectively manage and minimise the dilution impact (if any) associated with employee share schemes.

While the Share Buy Back Mandate would authorise a purchase or acquisition of Shares up to the 5% limit described in paragraph 3.2.1 above, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buy Back Mandate may not be carried out to the full 5% limit as authorised and no purchases or acquisitions of Shares would be made in circumstances which would have or may have a material adverse effect on the financial condition of the Company.

- 3.4 **Status of Purchased Shares.** Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.
- 3.5 **Treasury Shares.** Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

3.5.1 ***Maximum Holdings***

The number of Shares held as treasury shares² cannot at any time exceed 10% of the total number of issued Shares.

3.5.2 ***Voting and Other Rights***

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

² For these purposes, “**treasury shares**” shall be read as including shares held by a subsidiary under Sections 21(4B) or 21(6C) of the Companies Act 1967.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.5.3 **Disposal and Cancellation**

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Singapore Code on Take-overs and Mergers (the "**Take-over Code**")):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

3.6 **Funding of Share Buy Backs.** The Company may use internal or external sources of funds to finance Share Buy Backs. The Directors do not propose to exercise the Share Buy Back Mandate to such extent that it would materially affect the working capital requirements, financial flexibility or investment ability of the Group.

3.7 **Financial Effects.** The financial effects of a Share Buy Back on the Group and the Company will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the audited financial statements of the Group and the Company will depend, *inter alia*, on the factors set out below.

3.7.1 **Purchase or Acquisition out of Profits and/or Capital**

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

3.7.2 **Number of Shares Purchased or Acquired**

Based on 2,977,543,504 issued Shares as at the Latest Practicable Date (out of which 10,048,816 Shares were held in treasury and no shares were held as subsidiary holdings as at that date), and assuming that on or prior to the 2022 AGM, (i) no further Shares are issued, (ii) no further Shares are purchased or acquired, or held by the Company as treasury shares, and (iii) no Shares are held as subsidiary holdings, the purchase by the Company of up to the maximum limit of 5% of its issued Shares (excluding the 10,048,816 Shares held in treasury) will result in the purchase or acquisition of 148,374,734 Shares.

3.7.3 **Maximum Price Paid for Shares Purchased or Acquired**

Assuming that the Company purchases or acquires the 148,374,734 Shares at the Maximum Price of S\$5.79 for each Share (being the price equivalent to 105% of the average last dealt prices of the Shares for the five consecutive trading days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for such Share Buy Back is approximately S\$859.09 million.

The maximum amount of funds required for such Share Buy Back is the same regardless of whether the Company effects an On-Market Share Buy Back or an Off-Market Equal Access Share Buy Back.

For illustrative purposes only, assuming:

- (a) the Share Buy Back Mandate had been effective since 1 April 2021;
- (b) the issued share capital as at 1 April 2021 was the same as the issued share capital as at the Latest Practicable Date, that is, 2,977,543,504 issued Shares (out of which 10,048,816 Shares were held in treasury and no Shares were held as subsidiary holdings);
- (c) the Company had on 1 April 2021 purchased 148,374,734 Shares (representing 5% of its issued Shares (excluding the Shares held in treasury) as at the Latest Practicable Date) at the Maximum Price of S\$5.79 for each Share (being 105% of the average last dealt prices of the Shares for the five consecutive trading days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date); and
- (d) the purchase or acquisition of 148,374,734 Shares was made equally out of profits and capital and either cancelled or held in treasury,

the financial effects of the Share Buy Back on the audited financial statements of the Group and the Company for the financial year ended 31 March 2022 would have been as follows:

Share Buy Back of up to a maximum of 5% made equally out of profits (2.5%) and capital (2.5%) and either cancelled or held in treasury

	Group		Company

Notes:

- (1) For the purpose of calculating LPS, in the case where Shares are bought back and held in treasury, the “weighted average number of issued and paid-up Shares” excludes Shares held in treasury.
- (2) “Total borrowings” means short term and long term notes payable, loans, and lease liabilities.
- (3) “Liquid investments, cash and cash equivalents” means short term investments, cash and bank balances.
- (4) “Net borrowings” means total borrowings less liquid investments, cash and cash equivalents.
- (5) “Equity holders’ funds” means the aggregate of issued share capital and reserves.
- (6) “Gearing” is defined as the ratio of total borrowings to equity holders’ funds.
- (7) “ROE” is determined by calculating the loss attributable to equity holders of the Company expressed as a percentage of the average equity holders’ funds.

SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE FOR ILLUSTRATION PURPOSES ONLY (BASED ON THE AFOREMENTIONED ASSUMPTIONS). IN PARTICULAR, IT IS IMPORTANT TO NOTE THAT THE ABOVE ANALYSIS IS BASED ON THE HISTORICAL PROFORMA NUMBERS FOR THE FINANCIAL YEAR ENDED 31 MARCH 2022, AND IS NOT NECESSARILY REPRESENTATIVE OF FUTURE FINANCIAL PERFORMANCE.

Although the Share Buy Back Mandate would authorise the Company to purchase or acquire up to 5% of its issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 5% of its issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares.

- 3.8 **Shareholding Limits.** The Constitution of the Company currently prescribes a limit of 5% (the “**Prescribed Limit**”) of the issued Shares (excluding treasury shares) in which any single Shareholder or related groups of Shareholders (other than Temasek Holdings (Private) Limited (“**Temasek**”) and/or such other person or persons with the approval of the Directors) may have an interest.

As the number of the issued Shares (excluding treasury shares) will be diminished by the number of Shares purchased or acquired by the Company, the shareholding percentage of Shareholders whose Shares are not repurchased or acquired by the Company may increase correspondingly after each Share Buy Back. The Company wishes to draw the attention of the Shareholders to the following consequences of a purchase or acquisition of Shares by the Company pursuant to the Share Buy Back Mandate, if the proposed renewal of the Share Buy Back Mandate is approved by the Shareholders at the 2022 AGM:

A SHARE BUY BACK BY THE COMPANY MAY INADVERTENTLY CAUSE THE PERCENTAGE SHAREHOLDING OF SHAREHOLDERS (IN PARTICULAR, SHAREHOLDERS WHOSE CURRENT HOLDING OF SHARES IS CLOSE TO 5%) TO EXCEED THE PRESCRIBED LIMIT. SHAREHOLDERS WHOSE HOLDING OF SHARES MAY POTENTIALLY EXCEED THE PRESCRIBED LIMIT ARE ADVISED TO TAKE ONE OF THE FOLLOWING ACTIONS:

- (A) SEEK PRIOR WRITTEN APPROVAL OF THE DIRECTORS TO HOLD SHARES IN EXCESS OF THE PRESCRIBED LIMIT IN THE EVENT OF A SHARE BUY BACK; OR**
- (B) TAKE ACTION TO SELL PART OF THEIR HOLDING OF SHARES AT THE APPROPRIATE TIME TO AVOID VIOLATING THE PRESCRIBED LIMIT.**

- 3.9 **Take-over implications arising from Share Buy Backs.** Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

3.9.1 ***Obligation to make a Take-over Offer***

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

3.9.2 **Persons Acting in Concert**

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.9.3 **Effect of Rule 14 and Appendix 2**

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy Back Mandate.

Based on the interests of substantial Shareholders as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date as set out in paragraph 4.2 below, none of the substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the purchase by the Company of the maximum limit of 5% of its issued Shares (excluding treasury shares) as at the Latest Practicable Date.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any Share Buy Back by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

- 3.10 Listing Status of the Shares.** The Listing Manual requires a listed company to ensure that at least 10% of the equity securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders. As at the Latest Practicable Date, Temasek, a substantial Shareholder of the Company, had a direct and deemed interest in approximately 55.51% of the issued Shares (excluding Shares held in treasury and rounded down to the nearest 0.01%). Approximately 44.36% of the issued Shares (excluding Shares held in treasury) were held by public Shareholders as at the Latest Practicable Date. Accordingly, the Company is of the view that there is a sufficient number of issued Shares held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full 5% limit pursuant to the proposed Share Buy Back Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or affect orderly trading.
- 3.11 Reporting Requirements.** Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of an On-Market Share Buy Back, on the market day following the day of purchase or acquisition of any of its shares, and (b) in the case of an Off-Market Equal Access Share Buy Back, on the second market day after the close of acceptances of the offer. Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and subsidiary holdings after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.
- 3.12 No Purchases During Price or Trade Sensitive Developments.** While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buy Back Mandate

at any time after a price or trade sensitive development has occurred or has been the subject of a decision until the price or trade sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares through on-market or off-market Share Buy Backs during the period of one month immediately preceding the announcement of the Company's half-year and full-year financial statements. The Company will also not purchase or acquire any Shares during the period of two weeks immediately preceding the announcement of the Company's voluntary quarterly business updates for the first and third quarters of each financial year.

4. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

4.1 **Directors' Interests in Shares and Convertible Instruments.** The interests of the Directors in Shares, in the S\$3,496,128,555 Aggregate Principal Amount of Zero Coupon Mandatory Convertible Bonds ("**2020 MCBs**") and in the S\$6,196,793,517 Aggregate Principal Amount of Zero Coupon Mandatory Convertible Bonds ("**2021 MCBs**") as recorded in the Register of Directors' Shareholdings as at the Latest Practicable Date are set out below:

Director	Number of Shares				Number of Shares comprised in outstanding Share Awards	Principal Amount of 2020 MCBs	Principal Amount of 2021 MCBs

For the reasons set out in paragraphs 2 and 7 of the Appendix to this Letter, the Directors recommend that Shareholders vote in favour of Ordinary Resolution No. 8, being the Ordinary Resolution relating to the proposed renewal of the IPT Mandate to be proposed at the 2022 AGM.

Temasek and its associates, being Interested Persons, will abstain from voting their Shares, if any, in respect of Ordinary Resolution No. 8. The Company will disregard any votes cast by Temasek and its associates on Ordinary Resolution No. 8.

THE APPENDIX

THE IPT MANDATE

1. Chapter 9 of the Listing Manual

- 1.1 Chapter 9 of the listing manual (the “**Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.
- 1.2 Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested persons and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders’ approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company’s latest audited consolidated net tangible assets (“**NTA**”)) are reached or exceeded. In particular, shareholders’ approval is required for an interested person transaction of a value equal to, or which exceeds:
- (a) 5% of the listed company’s latest audited consolidated NTA; or
 - (b) 5% of the listed company’s latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.
- 1.3 Based on the latest audited consolidated financial statements of Singapore Airlines Limited (“**SIA**” or the “**Company**”) and its subsidiaries (the “**SIA Group**”) for the financial year ended 31 March 2022, the consolidated NTA of the SIA Group was S\$22,108.7 million. In relation to SIA, for the purposes of Chapter 9 of the Listing Manual, in the current financial year and until such time as the consolidated audited financial statements of the SIA Group for the financial year ending 31 March 2023 are published, 5% of the latest audited consolidated NTA of the SIA Group would be S\$1,105.4 million.
- 1.4 Chapter 9 of the Listing Manual permits a listed company, however, to seek a mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company’s interested persons.
- 1.5 Under the Listing Manual:
- (a) an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;
 - (b) (in the case of a company) an “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder includes an immediate family member (that is, the spouse, child, adopted child, step-child, sibling or parent) of such director, chief executive officer or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his

immediate family or controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family has an aggregate interest (directly or indirectly) of 30% or more, and, where a controlling shareholder is a corporation, its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30% or more;

- (c) an “**entity at risk**” means:
 - (i) the listed company;
 - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “**listed group**”), or the listed group and its interested person(s), has control over the associated company;
- (d) (in the case of a company) an “**interested person**” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder. The SGX-ST may also deem any person or entity to be an interested person if the person or entity has entered into, or proposes to enter into (i) a transaction with an entity at risk, and (ii) an agreement or arrangement with an interested person in connection with that transaction; and
- (e) an “**interested person transaction**” means a transaction between an entity at risk and an interested person.

2. Rationale for the IPT Mandate

2.1 It is anticipated that the SIA EAR Group (as defined below) would, in the ordinary course of its business, enter into certain transactions with its Interested Persons (as defined below). It is likely that such transactions will occur with some degree of frequency and could arise at any time. Such transactions are described in paragraph 5 below.

2.2 Owing to the time-sensitive nature of commercial transactions, the obtaining of the mandate (the “**IPT Mandate**”) pursuant to Chapter 9 of the Listing Manual will enable:

- (a) SIA;
- (b) subsidiaries of SIA (excluding other subsidiaries listed on the SGX-ST or an approved exchange); and
- (c) associated companies of SIA (other than an associated company that is listed on the SGX-ST or an approved exchange) over which the SIA Group, or the SIA Group and interested person(s) of SIA has or have control,

(together, the “**SIA EAR Group**”), or any of them, in the ordinary course of their businesses, to enter into the categories of transactions (“**Interested Person Transactions**”) set out in paragraph 5 below with the specified classes of SIA’s interested persons (the “**Interested Persons**”) set out in paragraph 4.1 below, provided such transactions are made at arm’s length and on the SIA EAR Group’s normal commercial terms.

- 2.3 The IPT Mandate will take effect from the date of the passing of the Ordinary Resolution relating thereto to be proposed at the Annual General Meeting (“**AGM**”) to be held on 26 July 2022 until the next AGM of the Company and shall apply in respect of the Interested Person Transactions to be entered into from and including 26 July 2022 to the next AGM of the Company. Thereafter, approval from shareholders of the Company (“**Shareholders**”) for a renewal of the IPT Mandate will be sought at each subsequent AGM of the Company.

3. Scope of the IPT Mandate

- 3.1 The SIA EAR Group engages in a range of activities, principally those relating to the business of the carriage of passengers, baggage and freight. For such purposes, the SIA EAR Group also engages in the business of travel agents, building management as well as the lease, hire, charter, repair, purchase and sale of aeroplanes, engines and aviation equipment.
- 3.2 The IPT Mandate will not cover any transaction by a company in the SIA EAR Group with an Interested Person that is below S\$100,000 in value as the threshold and aggregation requirements of Chapter 9 of the Listing Manual would not apply to such transactions. The IPT Mandate would, however, cover Interested Person Transactions with values below S\$100,000 entered into during the same financial year and which are aggregated by the SGX-ST under Chapter 9 of the Listing Manual and treated as if they were one Interested Person Transaction which has a value of S\$100,000 or more.

4. Classes of Interested Persons

- 4.1 The IPT Mandate will apply to the Interested Person Transactions (as described in paragraph 5 below) which are carried out with Temasek Holdings (Private) Limited (“**Temasek**”) and its associates (the “**Temasek Group**”).
- 4.2 Transactions with Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

5. Interested Person Transactions

The Interested Person Transactions relate to the provision to, or the obtaining from, Interested Persons of products and services in the normal course of the business of the SIA EAR Group or which are necessary for the day-to-day operations of the SIA EAR Group or which are of a revenue or trading nature (but not in respect of the purchase or sale of assets, undertakings or businesses) comprising:

- (a) the sale and purchase of aircraft, aircraft engines, aircraft spares, parts and components, electronic and electrical and engineering equipment;
- (b) the charter and/or lease of aircraft, aircraft engines, equipment, parts and components;
- (c) the repair, modification, maintenance servicing, overhaul and other engineering and technical services relating to aircraft, aircraft engines, equipment, parts and components;
- (d) the obtaining and/or provision of security services, freight services, ground handling services, lounge and inflight catering services, laundry and linen services;
- (e) the obtaining and/or lease of computer equipment and the obtaining, provision, licensing and/or development of computer maintenance services and systems,

computer software programmes, ticketing and reservation systems, cargo community systems, material handling systems and other related services;

- (f) the sale and/or purchase of tickets, tours, airway bills and other instruments for the carriage of passengers, baggage and freight;
- (g) the rental of space, both as lessor and lessee, and the provision of building maintenance services, and the lease and development of property for investment purposes;
- (h) the obtaining and/or provision of management, support and other related services;
- (i) the obtaining of insurances and the underwriting of risks;
- (j) the obtaining or purchase of utilities and fuel; and
- (k) any other transaction relating to the provision, or obtaining from Interested Persons, of products and services related to the SIA EAR Group's principal and ancillary activities as stated in paragraph 3.1 above in the normal course of their businesses and on normal commercial terms.

6. Review Procedures for Mandated Interested Person Transactions

6.1 The SIA EAR Group has established the following procedures to ensure that mandated Interested Person Transactions are undertaken on an arm's length basis and on the SIA EAR Group's normal commercial terms:

(a) Review Procedures

There are procedures established by the SIA EAR Group to ensure that mandated Interested Person Transactions are undertaken on an arm's length basis and on the SIA EAR Group's normal commercial terms, consistent with the SIA EAR Group's usual business practices and policies, which are generally no more favourable to the Interested Persons than those extended to unrelated third parties.

In particular, the following review procedures have been put in place:

(i) Provision of Services or the Sale of Products

The review procedures are:

- (1) all contracts entered into or transactions with Interested Persons are to be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms; and
- (2) where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the SIA EAR Group's pricing for such services to be provided or products to be sold to Interested Persons is determined in accordance with the SIA EAR Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by the SIA EAR Group for the same or substantially

similar type of contract or transaction with unrelated third parties taking into consideration factors such as, but not limited to, quantity, volume, consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction; and

(ii) *Obtaining of Services or the Purchasing of Products*

All purchases made by the SIA EAR Group, including purchases from Interested Persons are governed by internal control procedures which detail matters such as the constitution of internal approving authorities, their monetary jurisdictions, the number of vendors from whom bids are to be obtained and the review procedures. The guiding principle is to objectively obtain the best goods and/or services on the best terms. Most invitations for bids include a specimen contract to preclude negotiations on the terms of supply after the successful vendor is selected. The terms of supply are contained in a written contract. The review procedures require:

- (1) an open tender for bids to be called if there are 6 or more known vendors for the item unless this requirement is waived by the tenders committee in exceptional circumstances, in which case a closed tender will be called. If there are less than 6 known vendors, a closed tender for bids will be called inviting all the known vendors to bid. Bids which are received, regardless of whether they are from Interested Persons or not will be subject to the same evaluation criteria based on price, product quality, delivery schedules, specification compliance, track record, experience and expertise. Preferential rates, rebates or discounts accorded for bulk purchases are also taken into account; and
- (2) where it is not possible or practicable for a tender to be called (for example, where the product is a proprietary item or where the product is required urgently such as an aircraft-on-ground situation), an authorised senior management staff of the relevant company in the SIA EAR Group who does not have an interest in the transaction will determine whether the price and terms offered by the Interested Person are fair and reasonable.

(b) Threshold Limits

In addition to the review procedures, the following approval procedures will be implemented to supplement existing internal control procedures for Interested Person Transactions:

- (i) Interested Person Transactions equal to or exceeding S\$100,000 but less than S\$1 million in value will be reviewed and approved by a Senior Vice President designated for such purpose by the Chief Executive Officer (“**CEO**”);
- (ii) Interested Person Transactions equal to or exceeding S\$1 million but less than S\$3 million in value will be reviewed and approved by an Executive Vice President designated for such purpose by the CEO;
- (iii) Interested Person Transactions equal to or exceeding S\$3 million but less than S\$30 million in value will be reviewed and approved by the CEO;
- (iv) Interested Person Transactions equal to or exceeding S\$30 million in value shall be reviewed and approved by the Directors and the audit committee of the Company (the “**Audit Committee**”);

- (v) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$100,000 but below S\$1 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$1 million in value will be reviewed and approved by the Senior Vice President designated for such purpose by the CEO;
- (vi) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$1 million but below S\$3 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$3 million in value will be reviewed and approved by the Executive Vice President designated for such purpose by the CEO;
- (vii) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$3 million but below S\$30 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 but below S\$30 million in value will be reviewed and approved by the CEO; and
- (viii) where the aggregate value of all Interested Person Transactions (including the latest Interested Person Transaction to be approved) with the same Interested Person in the current financial year is equal to or exceeds S\$30 million, the latest and all future Interested Person Transactions equal to or above S\$100,000 in value will be reviewed and approved by the Directors and the Audit Committee.

If any person specified above has an interest in a transaction falling within a category of transactions to be reviewed and approved by him, he will abstain from any decision making in respect of that transaction, and such transaction will be reviewed and approved by other persons who are authorised to review and approve that category of transactions, if any, who do not have any interest in that transaction.

If not, the transaction must be approved by the person(s) who has (have) authority for reviewing and approving the immediately following category of transactions in terms of value.

All Interested Person Transactions entered into pursuant to the IPT Mandate shall be tabled to the Audit Committee for information on a quarterly basis.

Individual transactions of a value less than S\$100,000 do not require review and approval and will not be taken into account in the aggregation referred to in sub-paragraphs (v) to (viii) above.

- 6.2 A register will be maintained by SIA to record all Interested Person Transactions which are entered into pursuant to the IPT Mandate. The annual internal audit plan will incorporate a review of all Interested Person Transactions entered into pursuant to the IPT Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions adhered to.
- 6.3 The SIA Board of Directors (the “**Board**”) and the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor Interested Person Transactions have been complied with.

- 6.4 The Board and the Audit Committee shall have overall responsibility for the determination of the review procedures with the authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Board or the Audit Committee has an interest in the transaction to be reviewed by the Board or the Audit Committee, as the case may be, he will abstain from any decision making by the Board or the Audit Committee in respect of that transaction.

7. Benefit to Shareholders

- 7.1 The renewal of the IPT Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential Interested Person Transactions with a specific class of Interested Persons arise, thereby reducing substantially administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the SIA EAR Group.
- 7.2 The IPT Mandate is intended to facilitate transactions in the normal course of business of the SIA EAR Group which are transacted from time to time with the specified classes of Interested Persons, provided that they are carried out at arm's length and on the SIA EAR Group's normal commercial terms and are not prejudicial to Shareholders.
- 7.3 SIA will announce the aggregate value of transactions conducted with Interested Persons pursuant to the IPT Mandate for the financial periods which SIA is required to report on pursuant to the Listing Manual and within the time required for the announcement of such report.
- 7.4 Disclosure will also be made in the annual report of SIA of the aggregate value of Interested Person Transactions conducted pursuant to the IPT Mandate during the current financial year, and in the annual reports for the subsequent financial years during which an IPT Mandate is in force, in accordance with the requirements of Chapter 9 of the Listing Manual.

8. Audit Committee's Statements

- 8.1 The Audit Committee (currently comprising Yeoh Oon Jin, Gautam Banerjee, Goh Swee Chen, Dominic Ho Chiu Fai, Hsieh Tsun-yan and Jeanette Wong Kai Yuan) has reviewed the terms of the IPT Mandate, as proposed to be renewed, and is satisfied that the methods and procedures for determining the transaction prices as set out in the IPT Mandate are sufficient to ensure that Interested Person Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- 8.2 The Audit Committee will, in conjunction with its review of the internal audit reports and relevant Interested Person Transactions, as the case may be, also review the established methods and procedures to ascertain that they have been complied with. Further, if during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the methods and procedures as stated above are not sufficient to ensure that these Interested Person Transactions will be on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders, SIA will revert to Shareholders for a fresh mandate based on new methods and procedures for transactions with Interested Persons.
