\* **A380R** - New product

A380S - Current product

777W - Current product

\* Please note the above new schedule is subject to operational changes

The new Singapore Airlines A380 configured with 471 seats in four classes, featuring six Singapore Airlines Suites and 78 Business Class seats on the upper deck, as well as 44 Premium Economy Class seats and 343 Economy Class seats on the main deck, representing an increase of seat capacity from the existing service to and from London.

Riding on the theme of "Space made personal, experience the difference", the new cabin offerings provide more space and privacy in all classes, featuring intimate and bespoke elements designed especially for the Singapore Airlines customer.
