*Due to further restrictions imposed by the Australian Government, Singapore Airlines will not operate passenger services from Singapore to Melbourne from 1 July to 21 November 2020. Flights from Melbourne to Singapore from 1 July to 21 November 2020 are operating as listed.

**Due to regulatory requirements, transfers to destinations in Mainland China are currently not allowed.

***Cities approved for transit flights must be your first point of departure. The exceptions are if your first point of departure is for a domestic flight, or if you are departing from a country in the Schengen area to connect to a SIA flight that is departing from another Schengen country.

****Do note you will not be able to transit through Singapore if you had to transfer through another country from your city of departure before transiting at Changi Airport. For example, Dublin – London – Singapore – Sydney is not allowed.

Information is updated as of 27 October 2020
