

## Before you fly

It's never been easier to be a savvy #SingaporeAir traveller

Complete these pre-flight tips via [singaporeair.com/managebooking](https://singaporeair.com/managebooking) or your SingaporeAir mobile app

### 1 Skip the queue at the airport

Enable Auto Check-in and let us check you in automatically, 48 hours before your flight

### 2 Get your miles\* and complimentary in-flight Wi-Fi

Add your KrisFlyer number to your booking

*\*only for mileage accruable booking classes*

### 3 Customise your in-flight experience

A selection of Special Meals is available on request\*

Eligible fare types can select a complimentary seat prior to your flight

*\* All meal requests must be made at least 24 hours before your flight departs*

### 4 Never miss a flight update

Add your contact details to your booking

## Be travel-ready

Ensure you have all your essential travel documents (e.g. visa, Electronic Travel Authority etc.)

#### 48 hours before your flight

Generate your boarding pass when you receive your auto check-in success notification

Check-in for your flight via [singaporeair.com](https://singaporeair.com) or your SingaporeAir mobile app if you did not enable auto check-in

# On the day of your travel

Find out how you can be a smart traveller with the below tips

## 1 Take a picture of your baggage

### WHY?

A picture will help ensure the right baggage is picked up at the baggage carousel

AND

Help our lost and found team locate your bag if it's misplaced

## 2 Arrive prepared at the airport

Check counter [opening hours](#) and have your travel documents ready

## 3 Skip the queue with self-service options\* at the airport

Print your boarding pass and generate your baggage tags via our self-service kiosk

Tag your bags and drop them off at the self-service baggage drop

Track your bags via the SingaporeAir mobile app

*\*Available at [selected airports](#)*
