

Singapore Airlines is required by the U.S. Centers for Disease Control and Prevention (CDC) to collect the Passenger Disclosure and Attestation to the United States of America. As per the Order under section 361 of the Public Health Service Act (42 U.S.C §264) and 42 C.F.R §§71.20 & 71.31 (b), Singapore Airlines will retain a copy of each passenger attestation for 2 years. By completing this attestation form, you agree and acknowledge that any personal data provided will be processed by Singapore Airlines for the purposes of fulfilling U.S regulatory requirements in accordance with the Singapore Airlines Privacy Policy, available on www.singaporeair.com.

COMBINED PASSENGER DISCLOSURE AND ATTESTATION TO THE UNITED STATES OF AMERICA

This combined passenger disclosure and attestation fulfills the requirements of U.S. Centers for Disease Control and Prevention (CDC) Amended Orders: *Requirements for Negative Pre-Departure COVID-19 Test Result or Documentation of Recovery from COVID-19 for All Airline or Other Aircraft Passengers Arriving into the United States from Any Foreign Country and Implementing Presidential Proclamation on Advancing the Safe Resumption of Global Travel During the COVID-19 Pandemic*.¹ As directed by the CDC and the Transportation Security Administration (TSA), through Security Directive 1544-21-03 and Emergency Amendment 1546-21-02, and consistent with CDC's Order implementing the Proclamation, all airline or other aircraft operators must provide the following disclosures to all passengers prior to their boarding a flight from a foreign country to the United States.

AIRLINE AND AIRCRAFT OPERATOR DISCLOSURE REQUIREMENTS:

As required by United States federal law, all airlines or other aircraft operators must collect the passenger attestation on behalf of the U.S. Government.²

Required Proof of Negative COVID-19 Test Result or Recovery from COVID-19

All airlines and other aircraft operators must additionally confirm one of the following for each passenger – 2 years or older—prior to their boarding a flight to the United States from a foreign country:

1. A negative result for a *Qualifying Test* or
2. *Documentation of Recovery* from COVID-19 in the form of a positive COVID-19 viral test on a sample taken no more than 90 days prior to departure **and** a letter from a licensed healthcare provider or public health official stating that the passenger has been cleared for travel.

Required Proof of COVID-19 Vaccination for Non-U.S. citizen, Nonimmigrant Air Passengers

As directed by the TSA, including through a security directive or emergency amendment, all airlines and other aircraft operators must additionally confirm one of the following for each noncitizen who is a nonimmigrant passenger prior to their boarding a flight to the United States from a foreign country:

1. Proof of being *Fully Vaccinated Against COVID-19*
2. Proof of being excepted from the requirement to be *Fully Vaccinated Against COVID-19*.

Privacy Act Statement for Travelers Relating to the Requirement to Provide Proof of a Negative COVID-19 Test Result

The United States Centers for Disease Control and Prevention (CDC) requires airlines and other aircraft operators to collect this information pursuant to 42 C.F.R. §§ 71.20 and 71.31(b), as authorized by 42 U.S.C. § 264. Providing this information is mandatory for all passengers arriving by aircraft into the United States. Failure to provide this information may prevent you from boarding the plane. Additionally, passengers will be required to attest to providing complete and accurate information, and failure to do so may lead to other consequences, including criminal penalties. CDC will use this information to help prevent the introduction, transmission, and spread of communicable diseases by performing contact tracing investigations and notifying exposed individuals and public health authorities; and for health education, treatment, prophylaxis, or other appropriate public health interventions, including the implementation of travel restrictions.

The Privacy Act of 1974, 5 U.S.C. § 552a, governs the collection and use of this information. The information maintained by CDC will be covered by CDC's System of Records No. 09-20-0171, Quarantine- and Traveler-Related Activities, Including Records for Contact Tracing Investigation and Notification under 42 C.F.R. Parts 70 and 71. See 72 Fed. Reg. 70867 (Dec. 13, 2007), as amended by 76 Fed. Reg. 4485 (Jan. 25, 2011) and 83 Fed. Reg. 6591 (Feb. 14, 2018). CDC will only disclose information from the system outside the CDC and the U.S. Department of Health and Human Services as the Privacy Act permits, including in accordance with the routine uses published for this system in the Federal Register, and as authorized by law. Such lawful purposes may include, but are not limited to, sharing identifiable information with state and local public health departments, and other cooperating authorities. CDC and cooperating authorities will retain, use, delete, or otherwise destroy the designated information in accordance with federal law and the System of Records Notice (SORN) set forth above. You may contact the system manager at dqmpolicyoffice@cdc.gov or by mailing Policy Office, Division of Global Migration and Quarantine, Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS H16-4, Atlanta, GA 30329, if you have questions about CDC's use of your data.

¹ These requirements (e.g., proof of negative COVID-19 test result or recovery and proof of being fully vaccinated against COVID-19) do not apply to crewmembers of airlines or other aircraft operators if they are traveling for the purpose of operating the aircraft or repositioning (i.e., on "deadhead" status), provided their assignment is under an air carrier's or operator's occupational health and safety program that follows applicable industry standard protocols for the prevention of COVID-19 as set forth in relevant Safety Alerts for Operators (SAFOs) issued by the Federal Aviation Administration (FAA).

² Section 1 and Section 2 of this attestation do not need to be completed by or on behalf of children under 2 years of age. The airline or other aircraft operator may permit them to board an aircraft without an attestation.

PASSENGER DISCLOSURE AND ATTESTATION TO THE UNITED STATES OF AMERICA

The information provided below must be accurate and complete to the best of the individual's knowledge. Under United States federal law, the applicable portion of the attestation must be completed for each passenger ages 2 years or older and the attestation must be provided to the airline or aircraft operator prior to boarding a flight to the United States from a foreign country. Failure to complete and present the applicable portion of the attestation, or submitting false or misleading information, could result in delay of travel, denial of boarding, or denial of boarding on future travel, or put the passenger or other individuals at risk of harm, including serious bodily injury or death. Any passenger who fails to comply with these requirements may be subject to criminal penalties. Willfully providing false or misleading information may lead to criminal fines and imprisonment under, among other provisions, 18 U.S.C. § 1001. Providing this information can help protect you, your friends and family, your communities, and the United States. CDC appreciates your cooperation.

One attestation form must be filled out for each passenger aged 2 years or older. The attestation may be filled out by the air passenger or on behalf of the air passenger by a legal representative, such as a parent or guardian.

³ Any passenger who is not a U.S. citizen, U.S. national, lawful permanent resident, or an immigrant is referred to as a *Covered Individual* because they are covered by the Presidential Proclamation and CDC's Amended Order: Implementing Presidential Proclamation on Advancing the Safe Resumption of Global Travel During the COVID-19 Pandemic. This term does not apply to crewmembers of airlines or other aircraft operators if such crewmembers and operators adhere to all industry standard protocols for the prevention of COVID-19, as set forth in relevant guidance for crewmember health issued by the CDC or by the FAA in coordination with the CDC.

SECTION 2: Requirement for Proof of COVID-19 Vaccination for Covered Individuals (not a U.S. citizen, U.S. national, lawful permanent resident, or an immigrant) (Cont'd)

To be completed by any passenger aged 2 years or older who is not a U.S. citizen, U.S. national, lawful permanent resident, or an immigrant ("Covered Individual") who is seeking to enter the United States by air travel⁴

B. NOT FULLY VACCINATED

I am **not fully vaccinated** and I attest that I am (or the person I am attesting on behalf of is) **excepted** from the requirement to present *Proof of Being Fully Vaccinated Against COVID-19* and made the following arrangements (must check all boxes below):

- To be tested with a COVID-19 viral test 3-5 days after arriving in the United States, unless I have (or this person has) documentation of having recovered from COVID-19 in the past 90 days;
- To self-isolate for a full 5 calendar days and properly wear a well-fitting mask any time I am (or this person is) around others during my (or this person's) isolation period and for an additional 5 days after ending isolation,
 - if the result of the post-arrival viral test is positive;
 - or if I develop (or this person develops) COVID-19 symptoms.

In addition to the above arrangements, based on one of the following exceptions below (check only one exception, as applicable), I also attest that I have (or the person I am attesting on behalf of is) made the following arrangements as listed for the exception (must check all boxes for all arrangements and then sign Attestation).

EXCEPTION: Diplomat and Official Foreign Government Travel

- To self-quarantine for a full 5 calendar days following arrival, even if the result of my (or this person's) post-arrival viral test is negative, except during periods when my (or this person's) attendance is required to carry out the purposes of the diplomatic or official foreign government travel (e.g., to attend official meetings or events), unless I have (or this person has) documentation of having recovered from COVID-19 in the past 90 days; and

EXCEPTION: Medical contraindication to an accepted COVID-19 vaccine as determined by CDC

- To self-quarantine for a full 5 calendar days, even if the result of my (or this person's) post-arrival viral test is negative, unless I have (or this person has) documentation of having recovered from COVID-19 in the past 90 days; and

EXCEPTIONS:

Humanitarian or emergency exception as determined by CDC;

Valid nonimmigrant visa holder (excluding B-1 or B-2 visas) and citizen of a Foreign Country with Limited COVID-19 Vaccine Availability as determined by CDC; or

Sea crew member traveling pursuant to a C-1 and D nonimmigrant visa
