Sample of discharge memo issued in Singapore

DISCHARGE MEMO

Name of Patient: _____

NRIC/FIN: _____

To whom it may concern,

The abovementioned patient first tested positive for SARS-CoV-2 (COVID-19) via a PCR test on _____ and was isolated under the Infectious Diseases Act. The abovementioned patient was discharged on _____.

The abovementioned patient has since completed the necessary period of isolation for the treatment of COVID-19 and is **no longer infectious**. He is exempted from Pre-Event Testing until <date>.

[Please indicate N.A if not applicable]

The abovementioned patient has also been given a leave of absence¹ to rest and recover at his/her place of residence until _____.

Thank you.

For any queries, please contact the MOH Emergency Line at 1800 333 9999 or email to moh_qsm@moh.gov.sg.

DR DERRICK HENG
DEPUTY DIRECTOR OF MEDICAL SERVICES
PUBLIC HEALTH GROUP

¹ During the period of this Leave of Absence, you should remain in your place of abode/residence as much as possible, and only leave your place of abode/residence for essential (e.g. food and groceries, urgent medical treatment). If you have a prior non-urgent medical appointment, you should call your healthcare provider in advance that you are on Leave of Absence so that they can advise on suitable arrangements.

² After your Leave of Absence (over your recovery) has been fully completed, subject to prevailing rules/duties/requirements imposed by the Government.

Date of when a passenger first tested positive for COVID-19 must be at least 28 days before the date of vaccination

Proofs of Vaccination issued in **AUSTRALIA**

The following proof of vaccination issued in Australia will be recognised:

- International COVID-19 Vaccination Certificate Issued in ICAO VDS-NC Format

All travellers holding proof of vaccination issued in Australia must complete the full regimen of WHO EUL Covid-19 Vaccines. This applies to travellers who have had recovered from an earlier Covid-19 infection.

Proofs of Vaccination issued in **THE UNITED STATES (US)**

The following proofs of vaccination issued in the United States will be recognised:

- SMART Health Cards (SHC) issued by:
 - i. CommonTrust Network issuers (listed [here](#) and [here](#)); or
 - ii. [Vaccination Credential Initiative](#) issuers
- TrackMy Vaccine Pass
- Digital vaccination record retrieved from the public health database of the state or the local health authority
- Physical vaccination record and a letter signed by the state, local health authority or vaccination provider to attest to passenger's vaccination status. The attestation letter should contain:
 - i. the passenger's name and at least one other personal identifier such as the date of birth or passport number corresponding exactly with the information in the passenger's passport used for entry into Singapore
 - ii. the name of the vaccine administered for each dose; and
 - iii. the date when each dose was administered.

All travellers holding a proof of vaccination issued in the United States must complete the full regimen of WHO EUL Covid-19 Vaccines. This applies to travellers who have had recovered from an earlier Covid-19 infection.
